In order to attend the Suburban Law Enforcement Academy at College of DuPage, a recruit must be appointed as a police officer or deputy sheriff by an authorized Law Enforcement Agency that is duly recognized by the Illinois Law Enforcement Training and Standards Board (ILETSB), or be assigned to the academy by the ILETSB as an intern in conformance with 50 ILCS 708, Law Enforcement Intern Training Act.

This cost-effective, 12-week program, offered each quarter, applies diverse training experiences and innovative training strategies to prepare recruits to be highly qualified officers.

Classroom and practical training are central to the program. All instructors are state certified and are currently active in their fields of expertise. Students also are required to take part in several practical scenarios that include traffic stops, crimes in progress, building searches, court testimony, street stops and a variety of everyday situations common to police work.

A regularly scheduled strength and aerobic program is conducted during the academy program. Defensive tactics, along with other techniques, including verbal judo, are part of the curriculum.

The firearms program is set up with safety first. All instructors are master firearms certified and full-time law enforcement officers. To ensure safety, we maintain a close ratio of students to instructors.
