Meeting Date:

June 7, 2016

BACKGROUND

On May 17, 2016, Village staff received a call from Lake Hinsdale Towers (LHT) resident Mary Sandoval. Ms. Sandoval called to inquire on the status of the playground equipment to be re-installed at Lake Hinsdale Park. Ms. Sandoval also plans on attending the June 7th meeting of the Parks & Recreation Commission to speak.

To provide background, the following is a chronology of events relating to both the Willow Pond Park and Lake Hinsdale Park Renovation Projects:

- After compiling resident survey responses and holding four (4) focus group meetings throughout town, the Village's first ever Comprehensive Park & Recreation Master Plan was adopted by the Village Board on June 10, 2013.
- Among other items, the capital improvement portion of the plan recommended the comprehensive renovation of Willow Pond Park and converting Lake Hinsdale Park to a passive recreational design. Grant money would be sought for both projects.
- The final renovation plan for Willow Pond included an estimated budget of \$800,000.
- An application for an Open Space Land Acquisition and Development (OSLAD) grant from the state of Illinois was presented to a panel of grant award judges in Springfield on October 29, 2013. On April 5, 2014 we received notification from the governor that Willowbrook was awarded a \$400,000 grant for the Willow Pond Park project.
- A \$10,000 ComEd Grant was received on June 5, 2014 for the conversion of Lake Hinsdale Park. Removal of the old playground equipment at that park began in the fall/winter of 2014.
- Final development plans were approved for Willow Pond and the project was put out to public bid on February 9, 2015. The public bid opening occurred on March 3, 2015.
- The final project was recommended by the Park & Recreation Commission at their meeting on March 3, 2015. The Village Board would consider the project at the March 23, 2015 meeting. If approved, the project would commence in May 2015 and would be completed by fall 2015.
- On March 10, 2015, the Village received a Grant Suspension Notice from the Illinois DNR.
- Attached is a copy of the most recent correspondence received by the Illinois Department of Natural Resources, dated April 22, 2016, pertaining to the status of the OSLAD Grant for Willow Pond Park.

REQUEST FOR FEEDBACK

Early in 2015, the Village received a complaint from the LHT HOA regarding the removal of the old playground equipment at Lake Hinsdale Park. After discussion with the Parks Commission, it was agreed that the newer playground equipment at Willow Pond Park would be relocated to Lake Hinsdale Park once the Willow Pond Park renovation project commenced.

WILLOW POND PARK RE-DEVELOPMENT

Dear Mr. Tim Halik:

This letter is to provide clarification to the WILLOWBROOK, VILLAGE OF that it may pursue the above referenced project using its own funds, with no promise of continued State participation. If WILLOWBROOK, VILLAGE OF does choose to move forward with this project, please be aware that it is accepting the risk that there may be no reimbursements for any costs incurred after March 9, 2015. If however, the General Assembly does appropriate funds for this grant, the WILLOWBROOK, VILLAGE OF's decision to move forward with the project prior to appropriation will not be held against it. Further all eligible costs incurred prior to that date will be considered reimbursable, per the terms of your executed grant agreement.

REPORT –

Willowbrook Resident Participation in Burr Ridge Park District Programs

COMMISSION REVIEW

- Report
- Discussion
- Seeking Feedback

Meeting Date:

June 7, 2016

BACKGROUND

As the Parks Commission will recall, on August 10, 2015 the Village and the Burr Ridge Park District approved an Intergovernmental Agreement to provide Willowbrook residents access to recreational programs and services offered by the Burr Ridge Park District. The agreement is effective for two (2) years from September 1, 2015 to September 1, 2017.

Earlier this year, in order to try to gauge the success of this arrangement, the Burr Ridge Park District was asked to provide utilization data from their registration software to determine how many Willowbrook residents are participating in this arrangement. It was agreed that the requested numbers would be generated after their current fiscal year ending April 30, 2016. The information provided by the BRPD is attached.

REQUEST FOR FEEDBACK

Below is a summary of the participation numbers provided by the BRPD with percentages included:

SESSION	TOTAL	WB Residents	BR Residents
Summer 2014	4018	857 (21.3%)	1945 (48.4%)
Fall 2014	3695	958 (25.9%)	1544 (41.8%)
Winter/Spring 2015	3728	1186 (31.8%)	1405 (37.7%)
Summer 2015	5033	1283 (25.5%)	2067 (41.1%)
Fall 2015	3972	1197 (30.1%)	1481 (37.3%)
Winter/Spring 2016	3938	1153 (29.3%)	1438 (36.5%)

(Note: As Lavonne noted in her attached memorandum, the above numbers do not reflect all programs, such as senior trips, bingo, socials, weekly card groups, and chess club.)

It is interesting that when comparing 2014 registrations to 2015 registrations (i.e., the start of the agreement), there is a marked increase in Willowbrook resident participation. Currently, Willowbrook residents make up one-quarter to one-third of their total participation in programs.

Re: Willowbrook Resident Participation in Burr Ridge Programs

The following chart is a comparison of the number of total registrations per season with the number of Burr Ridge registrations and Willowbrook registrations.

Notes: A few of these numbers may reflect teams which would have multiple registrants such as Fall Ball. These numbers do reflect all senior trips, bingo and socials. They do not reflect weekly card groups and chess club. There are approximately 25-30 Willowbrook residents that participate in these activities per week.

Attached is print outs of the actual sessions with programs and numbers of Willowbrook participants per program.
