The prospective property owners learned that the portion of the roadway immediately adjacent to the property had not been dedicated to the Village. Records confirmed that the west half of the right-of-way of Western Avenue had never been dedicated for roadway and utility purposes. A Plat of Right-of-Way Dedication was subsequently executed by both property owners and the DuPage County Clerk's office, certifying that property taxes are current. Upon approval by the President and Village Board, the final plat certificates can be executed and the plat recorded.

Administrator Modaff noted that the Village received a \$700,000 federal stimulus grant, which covered 100% of the construction costs of street lights at the intersection of Plainfield Road and Route 83. The \$92,000 for the engineering was not grant eligible. The Village had budgeted \$47,000 in the current fiscal year budget and an additional \$45,000 in the coming fiscal year to cover construction engineering. Administrator Modaff solicited both DuPage County and IDOT to participate in the engineering costs. DuPage County had agreed to contribute up to \$30,000 in funding as outlined in the Intergovernmental Agreement before the Board this evening. This item was discussed by the Municipal Services Committee and they recommended the Board adopt the Resolution.

ITEM HISTORY (PREVIOUS VILLAGE BOARD REVIEWS, ACTIONS RELATED TO THIS ITEM, OTHER PERTINENT HISTORY)

This current budget deferred the purchase of a canine vehicle for six months. Since July 2008, the Village of Willowbrook has expended over \$9,040.00 in repairs, including a new engine for the K-9 vehicle. The repairs are exceeding the value of the vehicle and during the time this vehicle is down for repairs, the department loses the use of a K-9.

The department budgeted \$36,500.00 under line item 01-30-680-625 for a new K-9 vehicle. This includes an engine upgrade, canine cage retro-fit, new siren box, in-car camera, radio equipment, and change out of any equipment.

ITEM COMMENTARY (BACKGROUND, DISCUSSION, KEY POINTS, RECOMMENDATIONS, ETC.)

This vehicle meets the needs of department and needs to be ordered by the end of July. This price does not include any replacement police equipment or switch-over costs.

ITEM HISTORY (PREVIOUS VILLAGE BOARD REVIEWS, ACTIONS RELATED TO THIS ITEM, OTHER PERTINENT HISTORY)

Three (3) office workstations areas, a drafting table to reference construction plans, a lunchroom table, and various chairs are required to outfit the new public works garage. The budget for the public works garage included \$12,000 to obtain these items. In order to obtain the best prices on such items, staff not only requested a proposal from our regular workstation supplier, Midwest Office Interiors, but also asked for a proposal from Commercial Office Interiors, another local company which we have not used in the past.

ITEM COMMENTARY (BACKGROUND, DISCUSSION, RECOMMENDATIONS, ETC.)

The following is a summary of the proposals received from each vendor:

VENDOR	RECOMMENDED PRODUCT MANUFACTURER	PRICE
Midwest Office Interiors	Allsteel / Hon	\$7,750.53
Commercial Office Interiors	Southern Metal / Zoom	\$12,412.04

The workstations within the police department, finance, planning, and other administrative offices within the Village Hall building are currently Allsteel brand obtained and installed through Midwest Office Interiors. Our experience has been that these workstations are well built and durable. The manufacturer Hon was used for seating and the lunchroom table to reduce costs. Through government pricing offered by Allsteel, we were able to obtain a 67% discount off of the manufacturers list prices. In addition, the complete proposal price is over \$4,000 below our budgeted amount. Therefore, staff would recommend that we accept the proposal from Midwest Office Interiors.

ACTION PROPOSED:

Adopt the resolution.

Re: Account No. 250040.003
Delinquent Water Bill

Dear Mr. & Mrs. Casey:

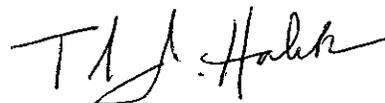

Please be advised that your water bill is now delinquent in the amount of \$145.68. This amount now includes a \$25.00 fee pursuant to Section 6-8-5 of the Village of Willowbrook Code. This \$25.00 is added to all accounts delinquent 45 or more days after the billing date. This amount also includes all other penalties pursuant to Section 6-8-5 of the Village Code. Your failure to satisfy the total amount of this delinquency on or before July 27, 2009, will result in the immediate termination of your water service.

Should your water service be terminated, Section 6-8-8 of the Village Code provides that a \$70.00 non-refundable reinstatement fee be charged. Said \$70.00 reinstatement fee shall be paid in addition to all delinquent bills and all penalties thereon before water service will be reinstated.

If you have any questions concerning your water bill, or if you wish to arrange a hearing before the President and Board of Trustees to contest the termination of your water service, please contact me at the Village of Willowbrook by writing to 7760 Quincy Street, Willowbrook, Il 60527 or call 920-2238 not later than five (5) days prior to the scheduled termination date.

If you do not satisfy the bill or contact me, your water service will be automatically terminated.

Sincerely,

Timothy J. Halik
Director of Municipal Services
