To Mark Shelton, Chief of Police
The Village of Willowbrook

Feb. 9, 2011

Dear Sir:

It was Tuesday evening on the second of February, 2011. Helen and I settled down with a full larder, a tank full of gas, and in a warm home, prepared to wait out the snow blizzard raging outside with all its fury. — We were prepared for almost everything. We were watching NCIS, our favorite, on TV.

Suddenly, the lights went out at approximately 7:30 PM. We fell victims to the dreaded power outage! — ComEd was called, gave us a time of restoration by 9:30 PM. Then 12:30 AM and still later, by 3:30 AM. When we called again at 3:30 AM, they advised us that they needed more equipment and personnel to repair the outage, but this time gave no estimate of power restoration.

50° F. is very cold for octogenarians, and so by 8 AM on Wednesday we began to worry. Fortunately, our daughter-in-law, Sue Bialas, was able to contact the Village of Willowbrook and speak to Debbie Hahn & explain our dilemma to her. Debbie then expeditiously contacted and dispatched Officers Andy Pelliccioni and Chris Drake to our home. Almost immediately they had arrived in front of our home and very quickly cleared a path through the deep snow and a 4 foot snow drift on our driveway with my snow blower, helped my ailing wife and me into their vehicle, and drove us to a warm haven.

Andy, and Chris are truly special people. Gentlemen, kind, patient, gracious, and helpful — Willowbrook's Finest! It is a memory that will be engraved in our hearts and minds. Thank You young men.

And finally, we are indebted and grateful to Debbie Hahn and her quick and deliberate action in helping us by contacting and dispatching the officers to our home so rapidly.

The Village of Willowbrook has been good to us.

Thanks, Debbie, Andy and Chris

God Bless.

Frank and Helen Bialas

Dear Chief Shelton:

On behalf of Sergeant Rich Kozik and myself, I would like to thank you for the assistance your department provided for the visit of the President of China. Commander Mike Kurinec and the officers assigned to the detail were true professionals and accomplished the mission with excellence. It is extremely vital that when an important high profile assignment arises that requires a team effort between law enforcement agencies, those agencies work in coordination with one another to get the job done efficiently as possible. The fashion in which your officers completed their assigned task was critical to the overall success of the motorcade.

Please pass along my sincerest gratitude to your officers for their dedication and professionalism and the Illinois State Police looks forwards to future endeavors with your department.

Sincerely,

A handwritten signature in cursive script that reads "Capt. David Nanninga".

Dear Chief Shelton,

Since early January of 2011, our department has been investigated a felony Identity Theft case in which a victim's credit card was used to purchase numerous items via the internet. During the course of the investigation, we discovered that these items were being shipped to 7343 Tennessee Dr in Willowbrook. On February 23rd, 2011, Investigators from our department attempted to make contact with an unknown offender at the above address.

Officer Biggs #1513, assisted our Investigators in locating the exact address of the offenders and provided officer safety information to our Investigators. Officer Biggs also calmed and established great rapport with 4 juveniles, in what was a volatile situation, while our Investigators were conducting a search of the residence.

I would like to commend Officer Biggs for assisting our agency in conducting a safe and successful investigation. With Officer Biggs' assistance and the cooperation of your agency, we were able to secure numerous items of evidence which eventually lead to felony charges against the offender.

It is great to know that our agencies can work together. Without such cooperation of outside agencies, such as the Willowbrook Police Department, our jobs would be more difficult and less effective. Once again, THANK YOU to Officer Biggs and the Willowbrook Police Department, and if there is anything the LaGrange Police Department can do for you, please do not hesitate to contact me.

Sincerely,

Chief Michael A Holub
