**SECRETARY LORI RINELLA
SECRETARY LAURIE SCHMITZ**

On Tuesday, September 20th, 2011 unknown offenders committed several car burglaries at the Chateau Living Center. A video surveillance camera from the Bedford Park Target store captured (2) subjects on camera who attempted to use our victim's credit cards. The video recovered had to be put into a Critical Reach document with offending vehicle and offender photos.

Secretaries Rinella and Schmitz assisted Detective Altobella and were able to put the identifying car and persons to the Critical Reach document which is distributed throughout the area.

As a result of both Secretary Rinella's and Schmitz's attention to detail, and the assistance provided to Detective Altobella, a positive identification of the subjects and vehicle were made by two other police departments. The offenders are wanted by numerous departments for burglaries.

Both Secretary Rinella and Schmitz should be commended for their efforts and assistance.
