The VILLAGE reserves the right to change the amount of the surcharge when necessary.
- C. For the term of this Agreement, the CONTRACTOR shall pay all charges due for the CONTRACTOR'S disposal of garbage at the stipulated facility. At no time shall the VILLAGE be required to pay for actual disposal charges. The CONTRACTOR will be responsible for any lawful interest, penalties or late payment charge assessed as a result of the CONTRACTOR'S failure to make timely payment as set forth above.
- D. Residents of the VILLAGE may choose to subscribe to a yard waste season cart service in place of the yard waste sticker service. For single family residences selecting this optional service:

VII. VIOLATIONS REGARDING SERVICE/EQUIPMENT – FINES

The VILLAGE expects high quality service to be provided to VILLAGE residents. In the event the CONTRACTOR violates any of the following standards, the Village Administrator may assess fines against the CONTRACTOR in the amounts set forth:

- A. Failure to clean up spilled refuse, landscape waste or recyclable material within one (1) business day after notification by the VILLAGE – seventy-five and no/100ths dollars (\$75.00) fine for each instance and for each day the violation continues. If the spill is cleaned up by the VILLAGE, the fine shall be seventy-five and no/100ths dollars (\$75.00) plus the cost of cleanup.
- B. Early start fine of seventy-five and no/100ths dollars (\$75.00) per route, per day will be assessed for each instance of pick-up prior to 7:00 A.M. reported to the VILLAGE.
- C. Failure to make a required pick-up – seventy-five and no/100ths dollars (\$75.00) will be assessed for failure to make a required pick-up which is not remedied within two (2) business days of receipt of complaint. An additional seventy-five and no/100ths dollars (\$75.00) will be assessed for each day thereafter during which the pick-up is not effectuated.

The assessment of fines is to insure the quality of services provided and shall not be deemed to be a waiver or release of any other remedy the VILLAGE may be entitled to under law. The assessment of fines shall be made by the Village Administrator. The Village Administrator shall assess fines once each month and notify the CONTRACTOR. The notice shall contain the following information:

- 1. Date of each violation
- 2. Approximate location of each violation
- 3. Nature of each violation
- 4. Fine being assessed
- 5. Total fine for the month

The CONTRACTOR shall have thirty (30) days to pay to the VILLAGE any fines assessed. In the event the CONTRACTOR fails to pay any fines assessed within said time period, or, in the event of an appeal by the CONTRACTOR, after a decision by the Village President and Board of Trustees (in the form of a written ordinance approved by the same in accordance with the Willowbrook Village Code and the laws of the State of Illinois), the VILLAGE shall have the right to draw on the performance bond provided for in this Agreement for the amount of any unpaid fines. The Village Administrator's decision in assessing any fine shall be final unless the CONTRACTOR appeals such decision in writing within seven (7) days after the date of the notice provided for above. Such appeal shall be made to the Village President and Board of Trustees. The Village President and Board of Trustees shall consider such appeal at a regular or specially called meeting at which time the CONTRACTOR shall have an opportunity to present

its side of the case. The decision of the Village President and Board of Trustees regarding any such appeal shall be final.

VIII. OTHER CONSIDERATIONS

- A. The CONTRACTOR shall maintain its books and records related to the performance of this Agreement in accordance with the following minimum requirements.
 - 1. The CONTRACTOR shall maintain any and all ledgers, books of account, receipts, invoices, vouchers and canceled checks, as well as all other records or documents evidencing or relating to charges for services, expenditures or disbursements for a minimum period of three (3) years after the termination of this Agreement, or for any longer period required by law.
 - 2. The CONTRACTOR shall maintain all documents and records, which demonstrate performance under this Agreement for a minimum period of three (3) years, or for any longer period required by law, from the date of termination or completion of this Agreement.
 - 3. The CONTRACTOR'S records or documents shall be made available for inspection or audit, at any time, during regular business hours, upon written request by a VILLAGE representative to ensure compliance with the provisions of this Agreement. The records shall be available to the VILLAGE representatives at the CONTRACTOR'S address indicated for receipt of notices in this Agreement.
- B. The CONTRACTOR shall furnish an irrevocable performance bond in the amount of five hundred thousand and No/100 dollars (\$500,000) for the faithful performance of this Agreement.
- C. Failure of the CONTRACTOR to Perform:
 - 1. All terms and conditions of the Agreement are considered material and failure to perform any of said terms or conditions on the part of the CONTRACTOR shall be considered a breach of this Agreement. Should the CONTRACTOR fail to perform any such terms or conditions, the VILLAGE shall have the right to terminate this Agreement after five (5) days' written notice to the CONTRACTOR of the violation of the Agreement and failure of the CONTRACTOR to remedy the violation within said time to the satisfaction of the VILLAGE. In addition to any and all equitable legal remedies available to the VILLAGE in the event of a breach of this Agreement by the CONTRACTOR, the VILLAGE shall have the right to draw upon the performance bond described in this Agreement. The remedies provided to the VILLAGE herein shall be

cumulative and not exclusive. No waiver by the VILLAGE of a default by the CONTRACTOR under this Agreement shall be construed as a waiver by the VILLAGE of any subsequent default or failure to perform on the part of the CONTRACTOR.

2. In the event of a failure by the CONTRACTOR to provide any of the services required under this Agreement for a period of five (5) days following written notice of such failure, then the VILLAGE, at their sole option and by any means, may cause such materials to be properly disposed of or otherwise handled or processed. Any and all expenses incurred by the VILLAGE may be charged against the CONTRACTOR and the performance bond furnished by the CONTRACTOR. Expenses incurred by the VILLAGE shall also include any previously purchased, but unused refuse/yard waste stickers in the possession of the general public and retail outlets. In addition, the VILLAGE may immediately terminate this Agreement and may elect, in their sole discretion, to seek any available legal remedy.
3. The CONTRACTOR shall not be paid whenever it fails to provide any service required under this Agreement, even if such failure is caused by events or occurrences of a nature commonly known as “force majeure” or acts of God or strikes beyond the CONTRACTOR’S control.

D. Insurance:

1. During the duration of this Agreement, the CONTRACTOR shall maintain the following insurance limits:
 - a. Workers’ Compensation Insurance as prescribed by the laws of the State of Illinois.
 - b. Employers’ Liability Insurance, with limits of not less than one million dollars (\$1,000,000) per occurrence.
 - c. Commercial General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. The general and aggregate shall be twice the required occurrence limit. Minimum General Aggregate shall be no less than \$2,000,000 or a project/contract specific aggregate of \$1,000,000.
 - d. Commercial Automobile Liability Insurance with a limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage per occurrence.

- e. Umbrella Excess Liability insurance with a limit of not less than five million dollars (\$5,000,000) for bodily injury, property damage, and personal injury per occurrence.
2. The CONTRACTOR shall furnish a certificate of insurance annually, verifying the existence of the aforementioned coverages. Further, the VILLAGE shall be named as additional insured parties on each said policy for any liability arising out of the CONTRACTOR'S work in a form subject to the review and approval by the VILLAGE at their sole discretion. Each certificate shall also bear an endorsement precluding the cancellation, reduction or change in coverage without giving the VILLAGE at least thirty (30) days prior notice thereof in writing. For purposes of this Agreement, "arising out of the CONTRACTOR'S work" shall mean:
 - a. Liability the VILLAGE may incur for which the VILLAGE is indemnified under Article VIII.D.3 below; and/or
 - b. Liability the VILLAGE may incur due to joint negligence of the CONTRACTOR and the VILLAGE.
3. To the fullest extent permitted by law, the CONTRACTOR agrees to indemnify, defend and save the VILLAGE and its officers, agents and employees, harmless from and against any and all suits, actions or claims of any kind or character, including expenses, attorneys' fees and costs, brought because of any injuries or damages received or sustained by any person, persons, including employees, agents or invitees of the VILLAGE, or property arising by reason of or as a result of, this Agreement or the performance or nonperformance of the CONTRACTOR hereunder or by reason of any act or omission of the CONTRACTOR, or its officers, agents, employees or subcontractors. The CONTRACTOR shall indemnify, defend, save and hold harmless the VILLAGE, its officers, agents and employees, from any and all liability, losses, damages, expenses and lawsuits, including workers' compensation claims, attorneys' fees and costs of defense, that the VILLAGE may suffer, incur or become liable for on account of:
 1. The negligence or intentional acts of omissions of the CONTRACTOR, its employees, agents or assigns.
 2. Any assertion of claim under the Illinois Workers' Compensation Act or similar acts made by any person.
 3. Any action in law or equity brought by any party under Federal or State law in an effort to set aside this Agreement.

The CONTRACTOR shall indemnify, defend and hold harmless the VILLAGE, its officers, agents, and employees, from all liability, including attorney's fees and costs, for removal or remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, also known as Superfund, or any comparable State law incurred as the result of the disposal of any garbage, landscape waste, recyclable material, bulk item and/or white good under this Agreement.

4. The CONTRACTOR shall, at the CONTRACTOR'S own expense, appear, defend, and pay any charges of attorneys and all costs and other expenses arising from the foregoing, or incurred in connection therewith in the defense of the VILLAGE, their agents, officials and employees.
5. The CONTRACTOR agrees that in the event a judgment should be entered against the VILLAGE as a result of the negligence and omissions herein above described, the CONTRACTOR shall immediately satisfy same including, but without limitation on the foregoing, all costs and interest in connection therewith.
6. The CONTRACTOR expressly understands and agrees that any performance bond or insurance protection required of this CONTRACTOR, or otherwise provided by this CONTRACTOR, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the VILLAGE, their agents, officials and employees as hereinabove provided.

E. Federal, State and Local regulations; taxes; permits; licenses:

1. The CONTRACTOR shall adhere to all Federal and State guidelines governing equal employment opportunities.
2. The VILLAGE has adopted an ordinance governing the prevailing rate of wages paid for work in DuPage County as determined by the Illinois Department of Labor. All labor performed under the provision of this Agreement shall comply with the Illinois Prevailing Wage Act.
3. The VILLAGE is exempt from State and Local sales, excise and use taxes. Rates shall include all applicable taxes.
4. Rates shall include the cost of permits, licenses and all other certifications required by Federal, State and Local laws, regulations and ordinances.
5. The VILLAGE and CONTRACTOR agree to negotiate in good faith should a change in law occur. For the purposes of this section a change in

law shall be defined as (i) the enactment, adoption, promulgation or modification of any federal , state or local law ordinance, code, rule or regulation; or (ii) the order or judgment of any federal, state or local court, administrative agency or other governmental body; provided that such event materially changes the costs or ability of the Contractor to carry out its obligations under this Agreement and establishes requirements which are materially more burdensome than or in addition to the applicable requirements in effect on the date the Agreement is executed.

- F. Subcontracting and assignment: the CONTRACTOR shall not subcontract out or assign single family residential scavenger service and/or this Agreement to a subcontractor or an assignee without prior written consent of the VILLAGE and said consent may be withheld at the VILLAGE'S sole discretion.
- G. Title to refuse, recyclables, yard waste and other materials set out for collection shall transfer to the CONTRACTOR when the aforementioned items are placed in the CONTRACTOR'S vehicles. When the CONTRACTOR transports those materials to a processing, disposal or other site (collectively "Disposal Site"), title shall pass to the operator of that Disposal Site. If the Disposal Site is paid for taking the materials that cost paid to the Disposal Site shall be paid solely by the CONTRACTOR. If money is paid to the CONTRACTOR for the material, the CONTRACTOR shall keep the proceeds and shall give an accounting to the VILLAGE, on their request for internal purposes only.

IX. MISCELLANEOUS

- A. The CONTRACTOR agrees to comply at all times with all applicable laws, ordinances, rules and regulations of the VILLAGE, the County of DuPage and the State of Illinois, and the United States Government and any agencies thereof. The CONTRACTOR agrees to comply with applicable Local, State and Federal laws and requirements concerning equal employment opportunities.

In the event of the CONTRACTOR'S noncompliance with any provision of the Equal Employment Opportunity Act, the Americans With Disabilities Act (ADA), the Illinois Fair Employment Practices Act, or the Fair Employment Practices Commission's Rules and Regulations for Public Contracts, the CONTRACTOR is declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivision or municipal corporations, this Agreement may be canceled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

- B. The CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the

CONTRACTOR, to solicit or secure this Agreement. The CONTRACTOR also warrants that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONTRACTOR, any fee, commission percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of, or the carrying out of this Agreement. For breach or violation of this warranty, the VILLAGE shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the price of consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

- C. The CONTRACTOR is free to engage in work as a private scavenger or hauler and to charge the public for services other than as provided in this Agreement. Such private scavenging or hauling shall not be construed as falling within the terms of this Agreement, and if the CONTRACTOR engages in such activities, it specifically relieves the VILLAGE of all liability associated with such activities.
- D. The CONTRACTOR shall obtain and pay for all licenses and permits. The CONTRACTOR shall pay all Federal, State and local taxes, including sales tax, social security, workers' compensation, unemployment insurance and other taxes, which may be chargeable against labor, material, equipment, real estate, and any other items necessary to and in the performance of this Agreement.
- E. No assignment of this Agreement, either voluntarily or involuntarily or by process of law, or any right or obligation accruing under this Agreement shall be made in whole or in part by the CONTRACTOR without the prior written consent of the VILLAGE. In the event of any assignment, the assignee shall assume the liability of the CONTRACTOR. This Agreement shall not be or come under the control of creditors, or a trustee or trustees of the CONTRACTOR in case of bankruptcy, or insolvency of the CONTRACTOR, but shall be subject to termination as provided herein.
- F. Neither the CONTRACTOR nor its employees shall request or accept any gratuities from any person, firms, or corporation for services required to be performed under this Agreement provided that where customers desire special service over and above that provided by the VILLAGE Code and this Agreement, they may make such arrangement as they so desire and make any payment therefore to the CONTRACTOR'S office.
- G. It is expressly agreed and understood that the CONTRACTOR is in all respects an independent contractor, notwithstanding in certain respects the CONTRACTOR is required to follow the directions of designated the VILLAGE officials, and that the CONTRACTOR is in no respect an agent, servant or employee of the VILLAGE. This Agreement specifies the work to

be done by the CONTRACTOR, but the method to be employed to accomplish this work is the responsibility of the CONTRACTOR, unless otherwise provided in this Agreement.

- H. The CONTRACTOR shall furnish the Village Administrator with every reasonable opportunity for ascertaining whether or not the work as performed is in accord with the requirements of this Agreement. The Village Administrator may appoint qualified persons to inspect the CONTRACTOR'S operations, records, and equipment at any reasonable time and the CONTRACTOR shall admit authorized representatives of the VILLAGE to make such inspections at any reasonable time and place.
- I. It is expressly agreed that in no event shall the VILLAGE be liable or responsible to the CONTRACTOR or any other person on account of stoppages or delay in the work herein provided for, by injunction or other legal or equitable proceedings brought against the CONTRACTOR, or from or by account of any delay from any cause whatsoever over which the VILLAGE does not exercise control.
- J. Should a strike occur which lasts more than three (3) calendar days, the VILLAGE shall be permitted to institute such procedures to collect and dispose of the refuse, landscape waste and recyclable material to be collected pursuant to this Agreement as the VILLAGE deems necessary, and may draw on the performance bond to pay for the costs of such procedures.
- K. If the CONTRACTOR shall at any time during the term of this Agreement become insolvent, or if proceedings in bankruptcy shall be instituted against the CONTRACTOR, or if proceedings in bankruptcy shall be instituted by the CONTRACTOR or if the CONTRACTOR shall be adjudged bankrupt or a receiver of any property of the CONTRACTOR shall be appointed in any suit or proceedings brought by or against the CONTRACTOR, or if the CONTRACTOR shall make an assignment for the benefit of the creditors, then in each and every case, this Agreement and the rights and privileges granted hereby may, at the option of the VILLAGE, immediately cease, determine and be forfeited and canceled. The CONTRACTOR shall list the VILLAGE as a creditor in any bankruptcy filing.
- L. The CONTRACTOR and the VILLAGE agree that venue for any action, whether in law or equity, arising out of this Agreement, shall exclusively be in the Circuit Court of the Eighteenth Judicial Circuit, DuPage County, Illinois.
