MAYOR'S MESSAGE

As we are coming up on the 15th anniversary of the September 11th, 2001 terror attacks, I would like to take a minute to elaborate on how Willowbrook plans to honor the memory of all those who were affected on that day. Having viewed other municipalities and organizations that have developed memorials in remembrance of this significant date in American history, I was on the lookout for a way that Willowbrook could honor those who lost their lives as well as the brave first responders who risked theirs. Last fall, I happened upon a newspaper article about how the Port Authority of New York and New Jersey was seeking to distribute the last remaining artifacts from the World Trade Center site to interested parties. This seemed to be the perfect opportunity to realize a 9/11 memorial in the Village of Willowbrook. I brought the concept to the Village staff and asked them to look into the possibility of obtaining one of these pieces of history.

After some research and countless phone calls, the Village's Administrative Intern Tiffany Kolodziej, was able to determine what the application process entailed. However, it was noted that the Village's chances of being granted one of the last remaining artifacts was a longshot. Undaunted, the Village moved forward with the application process and submitted an application in September 2015 to the Port Authority of NY and NJ with the promise that if approved the Village would incorporate the artifact display as part of the Police Station renovation that is now currently underway.

For those who are unaware of what the Port Authority of NY and NJ's World Trade Center Artifact Give-away program is, I'd like to briefly shed some light on it. The Port Authority of NY and NJ are the owners of the World Trade Center site. During the cleanup process after the 9/11 attacks, relics from that day were being stored in JFK International Airport's Hanger 17. Items such as warped metal beams, crushed elevators, damaged police vehicles, etc. were set aside in Hanger 17. Since 2010, this artifact give-away program has distributed more than 2,500 items to municipalities, schools, fire departments, nonprofits, and other community groups and foundations for the purpose of preserving the memory of 9/11.

Against heavy odds, I am happy to report that on March 4, 2016, the Village was granted an artifact by the Port Authority of NY and NJ! The artifact is a portion of an elevator cab from the World Trade Center Tower 1. The rather large artifact is roughly 7 feet by 5 feet by 3 feet and weighs approximately 3,000 pounds. One of the conditions for acceptance of the artifact was that the Village was responsible for picking up and transporting the relic back to Willowbrook. This of course raised the question of how do you transport a 1.5-ton portion of an elevator the 800 miles from New York City to Willowbrook? The answer was an easy one, send the Mayor with a truck. So on April 26, 2016, I hopped on a plane to New York City. On the morning of April 27, 2016, I rented a truck and arrived at JFK International Airport's Hanger 17. With the help of the Port Authority and some impressive spatial reasoning skills, we were able to fit the piece into the truck. And just like that I was off, beginning my trek back to Illinois carrying Willowbrook's piece of history. I arrived at the Willowbrook Village Hall with the artifact on April 28th and took a few pictures with the Village staff (see the picture on the front cover of this Fun Guide). After a brief viewing, the Public Works Department helped to move the artifact from the truck into the Public Works building where it will remain until it is finally placed in the Willowbrook Police Station upon completion of renovations.

Now seems like a good time to note that as of June 2016, the Willowbrook Police Department is operating out of the 825 Midway Drive building at the southwest corner of Midway Drive and Quincy Street. The Police Station and former Village Hall located at 7760 Quincy Street is under construction and will not be open to the public until sometime in 2017. As was briefly mentioned above, the World Trade Center artifact will be prominently displayed within the renovated Willowbrook Police Station. The Village has hired Williams Architects, out of Itasca, to design an appropriate display for the artifact as part of the overall Police Station construction project. I am honored and proud that the Village of Willowbrook will be displaying this piece of history as a reminder to all who visit our police station of the bravery and sacrifice that was made by so many 15 years ago.

As always, if you have any questions, comments, or suggestions please feel free to reach out to me (ftrilla@willowbrook.il.us, or 630-323-8215 Village Hall). I am happy to hear any comments or recommendations that pertain to our community. Sincerely,

Frank A. Trilla
Mayor

Park staff will organize teams and games. Parents are encouraged to help coach.

Fee includes a team shirt and hat. BRPD will provide bats, balls, and extra gloves if needed, and other equipment. Players should bring their own glove and gym shoes. If you are seeking instruction for your child, please refer to the “Spring Training” program. **BR, WB Dist 86**

REGISTRATION Special registration forms and information packets will be available February 10 at the Burr Ridge Community Center. Shirts and hats are included in the fee; team and individual pictures will be available for a separate fee. Families or businesses willing to sponsor a team should contact the Park District (630-920-1969).

COACHES The program has achieved a high level of success due to the dedication and commitment of volunteer parents/coaches. If a family member is interested in assisting in any capacity, contact the Park District, 630-920-1969. Anyone interested in coaching must attend a safety and instructional orientation.

A typical coaching commitment is for 10 evenings from 6:00-7:45pm (Mondays and Wednesdays only) and one orientation meeting (date to be determined) at the Burr Ridge Community Center.

STRUCTURE This program is an excellent readiness experience for future Little Leaguers. Participants will learn skills and fundamentals and play games where recreation, fun, and sportsmanship will be emphasized.

Help Make Our Parks More Beautiful

The Village of Willowbrook is very pleased to offer a Celebration/Memorial Program that allows you to make a contribution for a new or existing tree or bench in one of Willowbrook's parks in someone's name or, if you wish, simply contribute to make our parks more beautiful. All funds from this program are used to manage the program and to add more trees to Willowbrook's parks.

Trees and benches can be purchased as a gift to a friend, to celebrate the birth of a child, a marriage, or another momentous event in your family or to memorialize a loved one. This long-lasting gift serves as a perpetual reminder of those people and events that make our lives special.

For more information, go on-line at www.willowbrookil.org, click on Parks & Recreation, and then Celebration/Memorial Program.

The Village of Willowbrook and the Burr Ridge Park District enjoy an intergovernmental agreement to provide Willowbrook residents access to programs and services offered by the Burr Ridge Park District at rates charged to Burr Ridge Park District residents. This agreement will be in effect from September 1, 2015 until September 1, 2016, with an option to extend the agreement to September 1, 2017.

For your convenience, a brochure containing all of these programs and services is included in this publication. Willowbrook residents are encouraged to contact the Burr Ridge Park District to register for any of these programs or to have any questions regarding these services answered to your satisfaction. This agreement represents another component of the long tradition of cooperation between the Village of Willowbrook and the Burr Ridge Park District.
