## Mayor Trilla's Letter to the Residents

Dear Residents,

I would like to take this opportunity to thank you for electing me. I am honored to serve and will give it my best efforts.

My first eight weeks as Mayor has been a whirlwind of activity. I traveled to Springfield and lobbied on our behalf to maintain our (the Village of Willowbrook's) share of the state-issued sales tax. We currently fund about half of our entire Village on that revenue and our "Places of Eating" tax.

Several things have become evident once I was able to take a long look around our facilities and staff:

1. Our staff is lean but works extremely hard to serve us.
2. Our facilities are maxed out, even to the point where we need to digitally store records because the administration and police departments are running out of space.
3. Our leadership in Administration and the Police Department, namely Village Administrator Tim Halik and Chief of Police Mark Shelton, are consummate professionals who consistently serve us at an incredibly high level.
4. Our Trustees have been very supportive and are diligently looking into all options on vital issues facing our community. At the May 28, 2013 Village Board Meeting, Paul Oggerino became the most recent addition to the Village Board when he was sworn into office as a Village Trustee, filling the vacancy created when I became Mayor. Paul served 29 years on our Police Department and has been a Willowbrook resident for decades.

So, with all this being said, I have made some recommendations to the Board and changes are happening.

Our Village Attorney has been replaced by a municipal legal firm (Storino, Ramello & Durkin) and has already provided us with stellar advice and service. This firm brings to the Village years of experience and expertise in municipal law at a highly competitive rate (15% lower than our previous counsel).

We have looked into acquiring properties for park expansion, both near Borse Community Park and in the west end of Willowbrook, where there currently are no parks.

We have been working consistently with Pete's Fresh Markets, who has purchased the former K-Mart site, to help decide on a favorable marketing mix. Pete's Fresh Markets has been great to deal with.

# Mayor Trilla's Letter to the Residents

They plan to build out an incredible facility and also accommodate some outlots for possible restaurant use.

I was able to appoint three (3) new commissioners the day that I was sworn in. Two (2) Parks and Recreation Commissioners, Jo Bice and Leonard Kaucky, both live adjacent to parks and have a vested interest in making sure the parks are well used and maintained. The third commissioner appointed was Bernardo Lacayo to the Plan Commission. I would like to thank all of them for their volunteerism. Also, we have a list of volunteers waiting to serve on commissions and committees. If you would like to participate in the future of your town, please contact me at the Village and I will place your name on the list.

We are currently interviewing for two (2) employment positions, both replacements due to retirement. The process is highly competitive with over 100 applications received. We are expecting great things from our new hires because we need great things. With our staff being “lean”, those who join our team will need to be versatile and multi-talented, as well as a “Team” player. Good luck to all those who have applied.

We have addressed the space needs issue by submitting a contract to purchase the building adjacent to the Village Hall, located at 835 Midway Drive. The building had been for sale for over a year and will serve a multitude of needs. We currently plan to move the Administration operations into that building and allow the Police Department to expand into the entire current Village Hall. The Council Chambers will remain in the Police Department building. This will also give our police emergency access to Midway Drive. The police squads currently only have one way out and it is often blocked with heavy truck traffic.

We welcome you to join us at our Village Board meetings, which are held on the second and fourth Monday of every month. Also, you can stay up to date on our website, [www.willowbrookil.org](http://www.willowbrookil.org). We are in the process of trying to activate our Channel 6, but it is not as easy as I once thought – but we will keep on it!

There are numerous interesting local topics that you should be thinking about. Please reach out to the Trustees or myself and let us know if you feel a particular issue or topic is worth looking into or pursuing.

See You Next Time - Shop Willowbrook

### Program Assurance Policy

The Willowbrook Parks and Recreation Department offers its Program Assurance Policy for all the recreation activities we administer. Excluded are trips and adult sports leagues. If you are not satisfied, we will arrange for your choice of the following:

- You may repeat the activity at no charge.
- You may receive credit for another activity.
- You may receive a refund.

Please note that any request must be made within five days after the second class meeting. You may be asked to complete a form indicating your concerns so that we take the appropriate steps. Your comments and suggestions will enable us to serve everyone better.

Concerns about any cooperative activity in our Fun Guide that is administered by another agency should be first addressed with that agency. If you are not satisfied with the result, please do not hesitate to call our office.

### **Celebration/Memorial Program** **Help Make Our Parks More Beautiful**

The Village of Willowbrook is very pleased to offer a Celebration/Memorial Program that allows you to make a contribution for a new or existing tree or bench in one of Willowbrook's parks in someone's name or, if you wish, simply contribute to make our parks more beautiful. All funds from this program are used to manage the program and to add more trees to Willowbrook's parks.

Tree and benches can be purchased as a gift to a friend, to celebrate the birth of a child, a marriage, or another momentous event in your family or to memorialize a loved one. This long-lasting gift serves as a perpetual reminder of those people and events that make our lives special.

For more information, go on-line at [www.willowbrookil.org](http://www.willowbrookil.org), click on Parks & Recreation, and then Celebration/Memorial Program.

# ACTIVITIES FOR EARLY CHILDHOOD

## *Preschool*

**Ages 2—5 years**

### **Philosophy: Fun is Academic**

The Burr Ridge Park District program is based on the fact that children learn through play. It is during playtime that many of life's skills are formed. Through play, children will learn about friendship, problem solving, respect, analytic thinking, cooperation, communication and much more! What makes play so wonderful is that it engages all of the senses. They are not just learning it or seeing it...they are doing it! Play is a child's realm. It's their natural method of figuring out the world.

Burr Ridge Park District preschool classes follow the standards and recommendations set forth by the Illinois Early Childhood Standards and Benchmarks to prepare children for kindergarten.

Preschool registration for the 2013-2014 school year has begun. Children must be the appropriate age by September 1, 2013 and potty trained for the 3-5 year old classes.

## **Gateway Special Recreation Association**

The Village of Willowbrook Parks and Recreation is a member of the Gateway Special Recreation Association. Current members also include the Elmhurst Park District, Oak Brook Park District, Pleasant Dale Park District, Village of Hinsdale, Burr Ridge Park District, Westchester Park District and York Center Park District. These agencies have pooled resources to contract with Ray Graham Association for People with Disabilities to provide recreational services for individuals with disabilities.

The Gateway Board of Directors meets on the second Thursday of each month at the Oak Brook Family Recreation Center, 1450 Forest Gate Road, Oak Brook. Meeting times vary. Call 630-920-2251 for the correct meeting time.

We realize each participant has unique abilities and talents. Programs stress team work, positive social interactions and skill building. The Gateway motto is "Everyone is a Winner". Each person is provided the individual attention and support to succeed at his or her own pace. Sportsmanship, not competition, is stressed.

Gateway believes that persons should not be separated by their level of ability or particular disability condition. It is realized, however, that certain program are designed to meet the individual's needs. Gateway S.R.A. and the Ray Graham Association promote and encourage positive interaction between persons with and without disabilities. "Inclusive" activities provide benefits for all participants and their families. Inclusion can be achieved in two ways:

1. Persons with disabilities can participate in their local park programs with the needed support services.
2. Persons without disabilities can participate in certain Gateway programs.

Persons with disabilities are always served first in programs in which registration exceeds the maximum number of participants. We also encourage participants to explore other recreation opportunities within their local park agency. The Willowbrook Parks and Recreation Department invites any participant with a special need to contact our staff as soon as possible to enable us to make appropriate accommodations and a smooth transition for inclusion. For further information please contact Gateway S.R.A. at **630-325-3857, x110** or the Village of Willowbrook Parks and Recreation Department at **630-323-8215**.

The Village of Willowbrook strives to comply with the 1990 Americans With Disabilities Act (ADA). Please indicate if you or any member of your family needs special assistance or accommodations to participate in the programs listed on this form. **YES NO**

### ACKNOWLEDGEMENT OF RISK

As a participant in the program, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume the full risk of any injuries, including death, damages or loss which I or my minor child/ward may sustain as a result of participating in any and all activities connected with or associated with such program.

### WAIVER OF CLAIM FOR INJURY

I agree to waive and relinquish all claims I or my minor child/ward may have as a result of participating in the program against the Village of Willowbrook and its officers, agents, servants and employees.

I have read and fully understand the above Program Details and Waive and Release of all Claims.

### RELEASE FROM LIABILITY CLAUSE

I do hereby fully release and discharge the Village of Willowbrook and its officers, agents, servants and employees from any and all claims from injuries, including death, damages or loss which I or my minor child/ward may have or which may accrue to me on account of my participation in the program.

## **How To Register**

1. When you complete the registration form, please be sure to include the **reference number** whenever it is listed for an activity. Also, please sign the waiver on the registration form. You can also download the registration form from the Village's website, [www.willowbrookil.org](http://www.willowbrookil.org)
2. Your enclosed check or credit card number for the correct total and signed waiver completes your registration. Pay for your first choice(s) only. Make checks payable to the **Village of Willowbrook**. Registration cannot be completed by phone, unless it is stated otherwise.
3. Registration can be completed in one of four ways:
  - Mail to the Village of Willowbrook, 7760 Quincy St., Willowbrook, IL 60527.
  - Fax to the Village of Willowbrook at 630-323.0787.
  - Register in person at the Village Hall, 7760 Quincy St. weekdays from 8:30 AM-4:30 PM.
  - FAST TRACK REGISTRATION—SEE DETAILS BELOW**
4. You can drop off your completed registration and payment at any time by using the Village Hall's lock box, which is located outside the main entrance. Registrations dropped off after the Village Hall is closed will be processed on the next business day.
5. Resident registration begins **immediately** after you receive your Fun Guide. Registrations received by mail and fax will be processed on a first-come basis. Non-resident registration begins **September 5**. Program participants misstating residency status will be subject to being dropped from the activity without a refund.
6. The Village of Willowbrook does not mail confirmation cards. You may assume that you are enrolled in your first choice(s) of activities unless the staff notifies you. Refunds for cancelled activities will be automatically refunded in full. Please allow at least ten days for processing.
7. Registration for co-operative activities taken at other park agencies is subject to that agency's policies. However, Willowbrook residents can register at that agency's resident rate for all activities listed in this Fun Guide. If you ever encounter any difficulty, please call us at **630-323-8215**.
8. Photos and videos are occasionally taken of people participating in Parks and Recreation Department activities and in activities or using Village property thereby agree any photograph or videotape taken by the Village may be used for promotional purposes including its electronic media, brochures, flyers or other publications without prior notice or permission and without compensation to the participant.

The Village is unable to assume responsibility for injuries, accidents or loss of personal property at activities, parks and other facilities. The Village does not carry hospitalization insurance for participants. Such coverage would make program fees prohibitive. Your individual health insurance must cover all events, rather than the Village. Private entities contracted to deliver recreational services are not employees or agents of the Village. The Village of Willowbrook assumes no responsibility with respect to their actions or facilities. Each participant (or parent or guardian) is required to sign the waiver on the registration form as a condition to participate in an activity.

### **OUR REFUND POLICY**

1. Refunds will be issued "with no questions asked" if the request is prior to the first class meeting. After the first class meeting, a refund will not be granted unless the Village receives a medical certificate from a physician stating that the participant is unable to participate.
2. No refunds for trips can be given for requests less than one week before the trip unless either the Parks and Recreation Department or the individual can find a replacement.
3. In all the above situations, a \$4.00 check processing charge will apply.
4. Refunds may be given under the Program Assurance Policy.

### **FAST TRACK REGISTRATION**

You can complete your registration for all our activities by phone with our Fast Track Registration program. By coming to the Village Hall **one time** and signing the waiver for storage in our computer system, you will be able to simply call in your registration and pay by credit card. No longer will you need to mail in your registration or come to the Village Hall to register each time. It is not necessary that you come in immediately to sign the waiver into the system. However, we will need our waiver signature in our computer system before you can use the Fast Track Registration program. The Village Hall is open from 8:30 AM to 4:30 PM Monday through Friday.
