Mayor Trilla's Letter to the Residents

Dear Fellow Residents,

We have just finished our first six (6) months together. My learning curve has been steep, but I have been aided by the Village's memberships in several government organizations including the DuPage Mayors and Managers Conference, the West Central Municipal Conference, the Metropolitan Mayors Caucus, and the Illinois Municipal League. Each organization has provided me with a vast amount of background and insight on issues pertinent to the Village.

In October, I attended the Illinois Municipal League Conference in Chicago. The conference was a great event for me. I attended 10 of the 12 sessions offered over the course of the 3 day event. Most sessions were focused on business development. The biggest lesson I learned is to be proactive when seeking future business for our Village. We need to promote ourselves to quality retailers in a professional manner in order to ensure they consider locating in Willowbrook instead of elsewhere. I have a general familiarity with demographic statistics, but recently have been schooled in psychographics. This is a study of our "market area"; what we buy, what we would like to buy but need to go elsewhere to get, and what is the Village's overall availability to provide particular services and products. I have since taken up Willowbrook psychographics as my personal project, and intend to oversee the establishment of this economic development tool and further develop it moving forward. Please keep this in mind if you receive one our annual Citizen Surveys – your answers are important to us and actually form the basis for some of our budget considerations.

Within the last 30 days, we were able to initiate our first Willowbrook President's Advisory Committee (WPAC). The WPAC will include the presidents of all homeowners associations and will meet quarterly beginning in early 2014. The goal is to increase communication in an effort to foster possible economies of scale, increase public safety, and give the homeowner associations a forum where issues and concerns can be presented to the Mayor.

Our staff has recently learned that the Village was awarded a grant from the Illinois Department of Commerce and Economic Opportunity (DCEO) in the amount of \$92,000 to use towards the replacement of our streetlights with LED fixtures. The new LED lighting heads will use substantially less energy when compared to the old heads, will provide more uniform lighting, and will save money on future maintenance. Converting to LED technology will also reduce carbon emissions.

Superintendent of Parks & Recreation Kristin Violante, Management Analyst Garrett Hummel, and I made a trip to Springfield last month to present another project for which the Village is pursuing a grant. In June, the Village submitted an application to the Illinois Department of Natural Resources' (IDNR) Open Space Land Acquisition and Development (OSLAD) grant program for consideration of a Willow Pond Park improvement project. If successful, the Village could receive up to \$400,000 for the project. The invitation to present the project in Springfield is an encouraging sign as our project made the first cut. Grant approvals will be announced in the spring of 2014.

In other exciting news, the Village Trustees and I have recently secured the final parcel of land which will make up the new Willowbrook Municipal Campus. The Village's long-term space needs plan identified building new municipal facilities on approximately 4 acres of land that was purchased in

Mayor Trilla's Letter to the Residents

2000 for a total estimated project cost of over \$13 million. This plan was later “shelved” in 2009 due to lack of available funds, and a reluctance to take on additional debt. The Village Board’s current plan is to acquire two (2) properties adjacent to the existing Village Hall, which were available, and perform necessary building and site alterations to accommodate all Village departments. This work, which will be completed in phases, will satisfy our long-term space needs at a fraction of the originally planned costs.

Next, our Holiday Tree Lighting event is scheduled for Saturday, December 7, 2013 at Willow Pond Park from 4:00 p.m. – 8:00 p.m. This free event will include a variety of family themed activities including carriage rides, real reindeer, crafts, Santa, carolers, and the official lighting of the Village holiday tree.

The Parks and Recreation Department’s annual Holiday Party takes place on Sunday, December 15, 2013 at Hinsdale South High School cafeteria from 2:00 p.m. – 4:00 p.m. The party will feature children’s entertainment, crafts, refreshments and a chance to visit with Santa as well as a modest gift for each child.

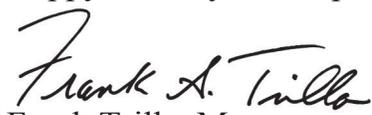

These events would not be possible without generous private donations to help offset event costs. Local businesses have played a key part in enabling both of these events to occur. I would like to thank all of our donors for supporting these events. Their support makes all of this possible. At the time of publication, sponsors include: Adolf Funeral Home, Arabian Knights Horse Farm, Arthur Donner, Ashton Place, Bannerville, Begeman Jewelers, Bella Cosa Jewelers, Center Cleaners, Citgo on Route 83, Dell Rhea’s Chicken Basket, Community Bank of Willowbrook, Exit Real Estate Partners, FAC Logistics, Fannie May, Frank Novotny & Associates, George Rediehs Company, Giordano’s Pizza, J&H Décor, Juicy-O, King Car Wash, Kiwanis Club of Burr Ridge/Willowbrook, LaVida Massage, Magic Nails, Midtown Athletic Club, Mosteller Worldwide LLC, New York Blower Company, Pamela Johnson DDS, Penel’s Hair Salon, Shear Perfection Dog Grooming, Sport Clips, Target, TCBY, TC Stone Enterprises, Tru Fragrances, Whole Foods, Willowbrook Ford, and Willowbrook Shoe Repair.

I would also like to thank the Holiday Event Planning committee for its hard work and dedication. Members include: Trustee Suzanne Berglund, Trustee Paul Oggerino, Detective Michelle Strugala, Parks and Recreation Superintendent Kristin Violante, Parks Commissioner Carol Lazarski, and residents Alice Hencinski, Mary Partyka, Karen Rivoli, and Gaye Wagner.

Last but not least, please welcome the following new employees to the Village:

- Dylan Trainor, Patrol Officer
- Jacob Hendrix, Municipal Service Worker
- Joel Rudnick, Patrol Officer
- Jose Lopez, Patrol Officer
- Margaret Wagner, Receptionist
- Virginia Stoltz, Public Works Coordinator

Resident/Non-Resident Policy

Resident status in Willowbrook's recreation program is defined as follows:

- Residents of the Village of Willowbrook.
- Residents of the Burr Ridge Park District are afforded our resident status for our cooperative activities that appear in the brochures of their respective agencies. Willowbrook residents are afforded resident status from those agencies for cooperative activities that those agencies conduct and that also appear in our Fun Guide.
- When one of our activities is offered in a public school, our resident status is afforded to residents of that particular school district for that particular activity even if the participant does not live in the Village of Willowbrook. Individuals claiming resident status in this instance may be asked to show proof of residency.

Children at Adult Classes Policy

Participants in our adult classes are not allowed to bring their children into class. Babysitting services are not available. This policy has been adopted to enable all our patrons to more fully participate and enjoy the activity without distraction. Thank you for your cooperation.

Gateway Special Recreation Association

The Village of Willowbrook Parks and Recreation is a member of the Gateway Special Recreation Association. Current members also include the Elmhurst Park District, Oak Brook Park District, Pleasant Dale Park District, Village of Hinsdale, Burr Ridge Park District, Westchester Park District and York Center Park District. These agencies have pooled resources to contract with Ray Graham Association for People with Disabilities to provide recreational services for individuals with disabilities.

The Gateway Board of Directors meets on the second Thursday of each month at the Oak Brook Family Recreation Center, 1450 Forest Gate Road, Oak Brook. Meeting times vary. Call 630-920-2251 for the correct meeting time.

We realize each participant has unique abilities and talents. Programs stress team work, positive social interactions and skill building. The Gateway motto is "Everyone is a Winner". Each person is provided the individual attention and support to succeed at his or her own pace. Sportsmanship, not competition, is stressed.

Gateway believes that persons should not be separated by their level of ability or particular disability condition. It is realized, however, that certain programs are designed to meet the individual's needs. Gateway S.R.A. and the Ray Graham Association promote and encourage positive interaction between persons with and without disabilities. "Inclusive" activities provide benefits for all participants and their families. Inclusion can be achieved in two ways:

1. Persons with disabilities can participate in their local park programs with the needed support services.
2. Persons without disabilities can participate in certain Gateway programs.

Persons with disabilities are always served first in programs in which registration exceeds the maximum number of participants. We also encourage participants to explore other recreation opportunities within their local park agency. The Willowbrook Parks and Recreation Department invites any participant with a special need to contact our staff as soon as possible to enable us to make appropriate accommodations and a smooth transition for inclusion. For further information, please contact Gateway S.R.A. at **630-325-3857, x110** or the Village of Willowbrook Parks and Recreation Department at **630-323-8215**.

3. Registration can be completed in one of four ways:
 1. Mail to the Village of Willowbrook, 7760 Quincy St., Willowbrook, IL 60527.
 2. Fax to the Village of Willowbrook at 630-323-0787.
 3. Register in person at the Village Hall, 7760 Quincy St. weekdays from 8:30 AM-4:30 PM.
 4. **FAST TRACK REGISTRATION—SEE DETAILS BELOW**
4. You can drop off your completed registration and payment at any time by using the Village Hall's lock box, which is located outside the main entrance. Registrations dropped off after the Village Hall is closed will be processed on the next business day.
5. **Resident registration begins December 12.** Registrations received by mail and fax will be processed on a first-come basis. **Non-resident registration begins December 19.** Program participants misstating residency status will be subject to being dropped from the activity without a refund.
6. The Village of Willowbrook does not mail confirmation cards. You may assume that you are enrolled in your first choice(s) of activities unless the staff notifies you. Refunds for cancelled activities will be automatically refunded in full. Please allow at least ten days for processing.
7. Registration for co-operative activities taken at other park agencies is subject to that agency's policies. However, Willowbrook residents can register at that agency's resident rate for all activities listed in this Fun Guide. If you ever encounter any difficulty, please call us at **630-323-8215**.
8. Photos and videos are occasionally taken of people participating in Parks and Recreation Department activities and in activities or using Village property. Participants thereby agree any photograph or videotape taken by the Village may be used for promotional purposes including its electronic media, brochures, flyers or other publications without prior notice or permission and without compensation to the participant.

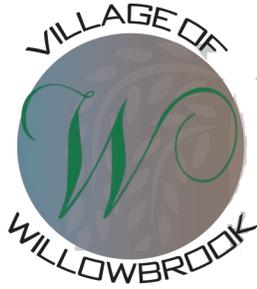

The Village is unable to assume responsibility for injuries, accidents or loss of personal property at activities, parks and other facilities. The Village does not carry hospitalization insurance for participants. Such coverage would make program fees prohibitive. Your individual health insurance must cover all events, rather than the Village. Private entities contracted to deliver recreational services are not employees or agents of the Village. The Village of Willowbrook assumes no responsibility with respect to their actions or facilities. Each participant (or parent or guardian) is required to sign the waiver on the registration form as a condition to participate in an activity.

OUR REFUND POLICY

1. Refunds will be issued "with no questions asked" if the request is made prior to the first class meeting. After the first class meeting, a refund will not be granted unless the Village receives a medical certificate from a physician stating that the participant is unable to participate.
2. No refunds for trips can be given for requests less than one week before the trip unless either the Parks and Recreation Department or the individual can find a replacement.
3. In all the above situations, a \$4.00 check processing charge will apply.
4. Refunds may be given under the Program Assurance Policy.
