AGENDA ITEM DESCRIPTION MOTION TO APPROVE THE PUBLIC SAFETY COMMITTEE MEETING MINUTES ON MAY 9TH, 2016.	COMMITTEE REVIEW ☐ Finance/Administration ☐ Municipal Services ☒ Public Safety Meeting Date: 06/13/2016
☐ Discussion Only ☐ Seeking Feedback ☒ Regular Report ☐ Approval of Staff Recommendation (for consideration by Village Board at a later date) ☐ Approval of Staff Recommendation (for <u>immediate</u> consideration by Village Board) ☐ Report/documents requested by Committee	
BACKGROUND The attached minutes are from the Public Safety Committee held on May 9th, 2016.	
STAFF RECOMMENDATION (if any) APPROVE MOTION.	

A G E N D A

Minutes of the Public Safety Committee of the Village of Willowbrook that was held on May 9th, 2016 at 5:30 p.m. at the Willowbrook Police Department, 7760 Quincy Street, in the Village of Willowbrook, DuPage County, Illinois.

CALL TO ORDER

The meeting was called to order at 5:30 p.m.

ROLL CALL

Those present at roll call were Chief Mark Shelton, Deputy Chief Robert Schaller, Chairman of the Public Safety Committee Terrence Kelly, and Trustee Sue Berglund.

1. Reviewed the April 11th, 2016 Public Safety Committee Meeting Minutes.
The Committee approved the April 11th, 2016 Public Safety Committee Meeting Minutes.
2. Reviewed the Weekly Press Releases – Information.
3. Reviewed the Overtime Report for 03/28/2016-04/24/2016 - Information.
4. Reviewed the Monthly Expenditure Report for April 2016 – Information.
5. Reviewed the Monthly Offense Summary Report for April 2016 - Information.
6. Reviewed the Letter(s) of Recognition and Appreciation – Information
 - Officer Lauren Kaspar
 - Officer Dave Gaddis
 - Officer Daniel Herrera
 - Officer Nick Volek
7. DISCUSSION ITEMS
 - Update - DUCOMM Changeover Review
Deputy Chief Schaller advised the Committee that the switch-over to the DuComm dispatch center occurred on April 25th. The computers in the squad cars are working well. Rich Kurtz from I.T. completed the installation of all the programs. DuComm personnel were at the police department to assist while MIDCO Phone Systems completed the phone transfers. All went well and the new dispatchers are very professional.
 - Annual Qualification Shoot – Scheduled for 05/10/2016
The Committee was advised that the annual qualification shoot is scheduled for May 10th, 2016. The qualification shoot will begin at 7:30a.m., and will continue throughout the day.
 - Training
Deputy Chief Schaller discussed current and upcoming scheduled training for future officers and explained additional departmental needs. The Committee was advised that Senior Officers are currently mentoring the Junior Officers and that training will be a continuous progression for the upcoming years due possible retirements. The Chief and Deputy Chief recognized that the certification training and on-the-job training with current officers has to be blended so when a

senior officer retires there is someone ready to take over. Both Trustees were in agreement that future planning and scheduled training is a priority.

The Chief provided the Committee with an update on the construction of the new police facility and also advised that the tentative move date to the temporary building will occur in early June.

- Update – Deputy Chief Schaller

- 7-Eleven Operation Chill

Deputy Chief Schaller advised the Committee that the 7-Eleven Operation Chill is a summer program where Officers distribute a “ticket” for a free Slurpee to youths throughout the community to reward good behavior.

- Patches For Buckley

Deputy Chief Schaller advised that our agency participated in the Honoring America’s Heroes Campaign. Department patches were sent to an officer, who had been wounded in the line of duty, to be included in the officer’s “Patches 4 Buckley” police patch collection. This is a large collection of patches and can be viewed on Facebook.

8. * VISITOR'S BUSINESS (Public comment is limited to three minutes per person).

9. ADJOURNMENT

The meeting was adjourned at 5:56p.m.

NEXT MEETING SCHEDULED JUNE 13TH, 2016 AT 5:30 P.M.

BACKGROUND

One of the identified benefits of moving our police dispatch to DU-COMM in 2015 was to participate in the Countywide Computer-Aided Dispatch/Records Management System (CAD/RMS). This new system would serve to integrate police and fire data platforms throughout the county. After much work on this project, and unexpected delays, the DuPage Emergency Telephone System Board (ETSB) is preparing to award a contract for this project to Intergraph Corporation.

The estimated total cost of this project, for all participating DuPage County agencies, is \$12,135,183. The estimated total project cost for Willowbrook, based on number of users, etc., is \$184,281.48, which includes required equipment replacement costs, interface costs, and network costs (network connection costs will be an annually re-occurring fee of approximately \$38,064). Two (2) items should be noted pertaining to project costs:

- 1) In preparing the estimated project cost schedule, the DuPage ETSB erred on the conservative in an effort to ensure costs did not increase. It is hoped that final projects costs will be lower.
- 2) Notwithstanding the above, if individual agencies decide not to participate, project costs will increase for the remaining participants.

On June 1, 2016 the Village received notification of the project along with various documents (attached). A meeting was held on June 2, 2016 at the DuPage Mayors & Managers Conference offices. At that time, DuPage ETSB Executive Director Linda Zerwin presented the information and answered initial questions from municipal managers/administrators. A subsequent meeting will also be scheduled to allow for further questions and answers.

REQUEST FOR FEEDBACK

In order to finalize the contract with Intergraph, agencies desiring to participate in the DuPage Justice Information System (DuJIS) are asked to complete an informational survey (copy attached) and execute a Letter of Intent, which would require adoption of a resolution by the Village Board, by June 25, 2016. Although we cannot meet this short deadline given our June Board meeting dates, a resolution could be placed on the Board's agenda for the June 27th meeting and forwarded to DuPage ETSB thereafter. This is acceptable to DuPage ETSB and will be indicated in our survey response, which will be submitted prior to June 25th.

STAFF RECOMMENDATION

That the Committee authorize the placement of a resolution on the Board's next meeting agenda on June 27th for adoption to enable the execution of the Letter of Intent to participate in the DuPage Justice Information System.

Tim Halik

Categories: Red Category

Greetings,

On behalf of DuJIS Chairman Bob Berlin and ETSB Chairman Gary Grasso, attached please find a memorandum regarding this county-wide project. There are several attachments for this memorandum that are provided as separate documents. **Please review all documents carefully.**

In addition, after reviewing the documents, ETSB asks that one person from your agency complete the survey below. A copy of the questions are provided to speed you through the process.

<http://www.surveymonkey.com/r/B9BYK8P>

The ETS Board acknowledges that you will need an opportunity to review your agency costs and determine if you will want to proceed as a participant. The Letter of Intent response date remains June 25. ETSB realizes that your government process to formalize an executed Letter of Intent may not be possible by this date. It is our hope that enough participants will respond in order to allow a contract to be executed and the project to begin August 1, 2016. The survey asks for your intended participation and a date for return of a Letter of Intent if it cannot be submitted by June 25.

Between now and June 25, there will be at least one meeting for agencies considering participating to allow for question and answer. These dates will be provided after June 1 the ETS Board committee of the whole meeting to review the contract.

You will also note that survey will ask for police and fire contacts for this project. It will be your responsibility to advise ETSB via this email address if your point of contact(s) change during the project.

Every effort has been made to determine agency costs for the anticipated life of this contract (two years of implementation and four years of system use).

It is important that you check agency specific interfaces to ensure that they have been correctly captured. Please respond to this email immediately if you require adjustments to this list as it will affect your overall costs.

Thank you,
Linda Zerwin

TO: DuPage Justice Information System Participants (DuJIS)

FROM: States Attorney Robert Berlin and Gary Grasso
DuJIS Chairman DuPage ETSB Chairman

DATE: May 27, 2016

SUBJECT: DuPage Justice Information System Letter of Intent and Next Steps

Thank you for your interest in participating in the DuPage Integrated Justice Information System (DuJIS) project. The purpose of this memorandum is to provide an overview of the next steps and to seek participation from DuPage municipal and fire protection district agencies, in the form of a Letter of Intent, in order to finalize the contract with Intergraph, the vendor to which the Emergency Telephone System Board (ETSB) is preparing to award the contract for this project.

In order for the ETSB to properly price the contract, it requests that you present the enclosed "Letter of Intent" to your governing board for its approval. Please include the actual handouts as shown in the sample as part of your resolution. We have enclosed included a five-year cost projection to assist you in your decision.

The Law Enforcement Report Management System (LE RMS) cost projection includes the portion of the capital investment your agency will be responsible for as well as for its share of the ongoing maintenance, staffing (four IT professionals for LE RMS), and equipment replacement costs based on the number of users your agency would have in the system today. We have calculated this based on a cost-per-user basis. We have included an equipment replacement contribution so that the LE RMS system can be self-sustaining and allow for available funding for the upgrade or replacement of law enforcement report writing software in the future. DuPage ETSB NetRMS participants may already be familiar with equipment replacement cost preparation from your cost sharing experiences with that system. While this is not a new approach for the ETSB, it was not part of the cost projections that the manager for the initial stages of the project, Mr. David Usery, shared with you last Fall. Because we believe it is important to set aside funds for the eventual upgrade or replacement of the system in the years ahead, we have revised those projections to account for equipment replacement.

The DuJIS project is a very complex project with many interfaces to various technologies. To that end, the ETSB will only permit cost-sharing for common expenses. If an agency requires additional interfaces with the RMS or CAD to their unique software applications, it will need to obtain them through Intergraph the cost of which will be the responsibility of the impacted agency as included in the contract. Neither the ETSB nor the County will be responsible for the costs of interfaces to agency-specific software. Agency specific interfaces will be configured after the core systems are deployed, approximately 24 months from date of contract. Itemized cost projections per agency are included with this document. This information will allow participants with agency specific interfaces the opportunity to decide whether or not to move to one of the core shared applications versus paying for a specific interface.

We have made every effort to determine the five-year cost for this system including an equipment replacement contribution.

We ask that you present the Letter of Intent as is to your agency's corporate authorities, and upon its approval, execute the letter on your letterhead and return it to DuPage ETSB at 421 County Farm Road, Wheaton, IL 60187 by June 25, 2016. If some agencies elect not to participate and that reduction changes the costs to any agency by more than ten percent (10%), we will notify each agency that has executed the letter of intent of this change in costs and to allow it the opportunity to reassess its intention to participate.

The ETSB presently anticipates letting the contract before the end of the second quarter, 2016. The next ETSB Committee of the Whole Meeting is Wednesday, June 1 at 8:30am in the County Board Room at 421 County Farm Road, Wheaton. This is a two hour time block the ETSB intends to convene this additional Committee of the Whole for the exclusive purpose of reviewing the details of the contract before its final approval before the end of June. The ETSB will provide notice for those interested in attending.

Following the approval of the contract, the ETSB will request the County Board enter into intergovernmental agreements (IGAs) on the ETSB's behalf with each of the various Public Safety Answering Points (PSAPs) whose members will participate in DuJIS. The IGAs will outline the organization of the system and the respective duties of the ETSB and each PSAP. The IGAs will require each PSAP pass its obligations through to its participating member agencies. Each PSAP will be responsible for collecting an annual per capita assessment for DuJIS from its member agencies and for paying those assessments to the County and to the ETSB.

We are providing the following attachments to assist Agencies in making their decision regarding participation in the DuJIS Project:

- Letter of Intent and Resolution language with requested return attachments
- Steering Committee Structure
- DuPage Customer Pricing Overview (to date)
- Agency Cost Projections Summary (to date)
- Law Enforcement Report Management System (LE RMS) Staffing Overview
- Additional Costs Summary
- GIS Work Flow

Letter of Intent:

As we explained previously, the ETSB has requested that each prospective DuJIS participant present a letter of intent to its corporate authorities. The ETSB will use each agency's commitment to determine the total number of participants in the system as well as final pricing. After your agency has completed its due diligence and approved the letter of intent's execution, please return it to DuJIS Project, c/o DuPage ETSB 421 County Farm Road, Wheaton, IL 60187. If the number of participants changes the cost per agency by an increase of more than ten percent (10%), agencies that have indicated participation will be notified. Once a sufficient number of agencies approve the Letter of Intent, the State's Attorney, in collaboration with the attorneys for each of the participating PSAPs, will develop a standardized IGA to implement the system. As noted previously, we anticipate the PSAPs will serve as "contractual conduit" to help facilitate project implementation and to help manage the flow of responsibilities between the agencies, the ETSB, and the County in much the same way they did during the implementation and eventual operation of the radio project.

We ask that you present the resolution authorizing the execution of the letter of Intent to your board or council at your earliest opportunity and include the backup materials we are providing as attachments to the resolution.

Organizational Structure:

Upon project commencement, the County will retain a Report Management System (RMS) Manager though it's Human Resources Department for LE RMS. While the County's Director of Information Technology and the ETSB's Executive Director will jointly make the final selection, a small panel representing various LE RMS user groups will participate in the selection process and screen the applicants.

Though initially an ETSB position, the RMS Manager will transition to the County's IT Department beginning with FY2017 when the project is under contract and intergovernmental agreements have been executed with participants. These instruments will obligate the funds necessary for the County to proceed with increasing its headcount for this project and completing the staffing transfer.

The ETSB will formalize the existing staff work groups which have provided valuable guidance in the vendor selection process into standing ETSB committees and subcommittees. Once established, ~~these~~ bodies will proceed through the existing Policy Advisory Committee (PAC), which the ETSB will restructure to allow for this expanded role. These work groups will also identify, draft and recommend policy to the ETS Board through the PAC for DuJIS for, but not limited to, standardization of data bases and mapping/addressing.

Representatives of the County of DuPage, the State's Attorney, the Sheriff, the Clerk of the Circuit Court, the DuPage Mayors and Managers Conference, the DuPage County Chiefs of Police, the DuPage County Fire Chiefs Association, the ETSB, and the City of Naperville have and will continue to collaborate on a consensus-based model to facilitate project implementation. While the ultimate authority for project management will be coordinated by the County's IT Department (LE RMS) and the ETSB (CAD), the members of this collaborative will ensure that the entities or elected officials they represent are fully informed about project goals, development, and the implementation timeline. In this way, as opposed to the creation of a formalized and rigid governance structure, each entity or elected official retains their autonomy and must independently exercise their respective functions related to project implementation. As of the Spring of 2016, State's Attorney Berlin serves as the coordinator of this loose collaborative, sometimes referred to as "governance" or a "steering committee."

Financial Overview:

We have provided the Intergraph financial cost sheet for your review. This document contains the costs to date for the system and four years of maintenance. The estimated total cost for the Intergraph contract is approximately \$12M. The coding on this sheet represents CAD (ETSB cost), RMS (Agency cost) and COM (cost attributed to both CAD and RMS which are split between these two systems). These codes were utilized to determine the agency share for reimbursement.

The ETSB will advance the initial financing for the entire project. The Agency Estimated Costs which are shown to the right of the pricing information on the spreadsheet, show the reimbursement required by Agencies to ETSB. When you met with Mr. David Usery, he provided you with cost estimates for LE RMS based upon common interfaces. These projections did not include costs for interfaces necessary to allow RMS to communicate with any additional systems your agency may have elected to utilize (such as Lexis/Nexis, Livescan, Beast, etc.), maintenance over the life of the contract, personnel or equipment replacement. For this reason, the numbers you are seeing now are somewhat larger than those you reviewed in the Fall.

Agency Estimated Costs:

This attachment details the estimated costs each agency can expect to pay for system access. It is similar in format to the current NetRMS annual billing where the RMS costs are determined per user. Please be aware that the new system will assign each user a *unique* sign on and will not support collective access to the system for a records or investigations department. For this reason, it is critical that you verify the number of **users** your agency will have on the system.

When you met with Mr. Usery in the Fall, he provided you with cost estimates for LE RMS acquisition based entirely on the costs of project acquisition. As was the case with hardware replacement, subsequent discussions led to the recognition that existing County and ETSB staff could not satisfy the staffing requirements Intergraph proposed were necessary to properly and effectively maintain a modern LE RMS. After a thorough review of the proposed requirements, technical experts from the County's IT Department, the ETSB, user groups, and Intergraph reached a consensus recommendation that **requires** the County to increase its existing staff by four (4) full time equivalent positions ("FTEs"). Based on the County's Human Resources' current salary matrix for the relevant job descriptions, the staff increase will represent an annual estimated cost of \$425,000, including employee benefits.

As is the case with the RMS Manager, all initial staff will be hired through the ETSB's existing budget and under its headcount allocation. At the start of FY18 (December 1, 2018 for DuPage County), staff positions dedicated to RMS administration will transition from the ETSB to County IT.

This form also includes costs for participants that have agency specific interfaces. There is an overall cost sheet and subsequent worksheets which provide greater detail as to how these costs were calculated. It should be noted that the results are based on information provided by participants. You should check your agency specific categories with internal staff to ensure it is correct.

RMS Staffing Overview:

This worksheet will provide additional detail for the staffing positions based on Intergraph recommendations and DuPage County Human Resources' job descriptions and salary matrix.

Additional Costs Summary:

We have attempted to account for any additional costs that may be incurred by participants. To date, these include CPU/Mobile hardware that does not meet the specifications required for this system, replacement of the SONET network to a new network to support 911 systems, wireless technology for mobile terminals and fire station alerting. The attachment provided will contain more detailed information.

GIS Work Flow and Addressing Ordinance:

Mapping is a critical function of the new CAD system which will require standardization. Participants **are** encouraged to have an addressing ordinance to facilitate standardization. There is also a flow chart to outline the process for address changes.

[Date]

Hon. Robert B. Berlin
DuPage County State's Attorney
503 N County Farm Rd.
Wheaton, Illinois 60187

Hon. Gary Grasso, Chairman
Emergency Telephone System Board (ETSB)
421 N County Farm Rd.
Wheaton, Illinois 60187

Dear State's Attorney Berlin and Chairman Grasso:

This letter is to confirm the intention of the [City Council/Board of Trustees] of the [Municipality or Fire Protection District] to participate in the DuPage County Judicial Information System (DuJIS). I am advising you that the [City Council/Board of Trustees] authorized me to execute letter on its behalf in accordance with the resolution which I have attached. The [City Council/Board of Trustees] makes this representation after its review of the following documents provided by the ETSB on May x, 2016 and which were incorporated in the resolution:

- Letter of Intent
- Organizational Structure
- Financial Overview (to date)
- Agency Estimated Costs (to date)
- Report Management System (RMS) Staffing Overview
- Additional Costs Summary
- GIS Work Flow and Addressing Ordinance

[The City Council/Board of Trustees] understands and acknowledges that the ETSB will rely on this commitment in determining the final cost for the projections of the DuJIS Project and in determining whether to proceed with contract award. The [City Council/Board of Trustees] understands and expects that the ETSB will notify it prior to contract award if the estimated cost to the [Municipality or Fire Protection District] increases by more than ten (10) percent.

Sincerely,

[Mayor/President]
[Municipality or Fire Protection District]

Enclosure

RESOLUTION

AUTHORIZING THE EXECUTION OF A LETTER OF INTENT
TO PARTICIPATE IN THE DUPAGE JUDICIAL INFORMATION SYSTEM (DUJIS)

WHEREAS, the County of DuPage, Illinois in collaboration with its Emergency Telephone System Board (ETSB), is prepared to implement an integrated justice system known as DuJIS which will allow participating police and fire departments to exchange information with and between the County's court and correctional entities; and

WHEREAS, the County intends DuJIS will replace the ETSB's existing Computer Aided Dispatch (CAD) system; and

WHEREAS, County intends DuJIS will replace the existing incident Report Management System (RMS) used throughout the County; and

WHEREAS, [this unit of government] as reviewed materials prepared by the ETSB which detail DuJIS's estimated costs, organization, and functionality, and such documents are incorporated in this resolution as if fully set forth herein; and

WHEREAS, [this unit of government] desires to participate in the DuJIS System;

NOW THEREFORE BE IT RESOLVED THAT the [President/Mayor] shall be and hereby is directed to execute the attached Letter of Intent directed to the State's Attorney and the Chairman of the ETSB; and further

BE IT RESOLVED, that the [Clerk/Secretary] shall transmit copies of this Resolution to the State's Attorney and the Chairman of the Emergency Telephone System Board forthwith; and further

BE IT RESOLVED, that the [President/Mayor] is authorized to withdraw the Letter of Intent if the ETSB determines that the estimated cost to the [Municipality or Fire Protection District] will increase by more than ten (10) percent beyond the projection supplied by the ETSB;

PRODUCTION ENVIRONMENT									
Production Environment Host Servers									
Dell PowerEdge R630 – Two 22-Core Processors; 384GB RAM; vSphere EnterprisePlus v6.x (Q2); Dual Internal SD Cards for OS; DVD-ROM Combo Drive; Quad Port 1GB NIC; HBA; Dual Redundant Power Supplies; 6 year Pre-Paid ProSupport and Mission Critical Package (4-hours 7x24 on-site support)	Production Environment Host Servers	COM	6	\$	33,750	\$	202,500		
Microsoft Windows Server 2012 R2 Datacenter	Production Environment (Base)	COM	6	\$	5,816	\$	34,896		
CAD Database Server #1									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	CAD Database Server #1	COM	6	\$	7,900	\$	47,400	\$	8,064
I/Executive High Availability (IPS0001HA)	Monitors CAD system transactions. Includes ANI/ALI	CAD	1	\$	73,459	\$	73,459	\$	16,800
CAD Database Server #2									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack	CAD Database Server #2	COM	6	\$	7,900	\$	47,400	\$	8,064
Microsoft Visual Studio Professional 2012		COM	1	\$	580	\$	580	\$	139
CAD Archive / Reports / Web Server									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	CAD Archive / Reports / Web Server	COM	6	\$	7,900	\$	47,400	\$	8,064
I/Backup - No Cost License (IPS0003SNC)	Facilitates backup of the CAD database to this tertiary server.	CAD	1		Included at no additional cost				
CAD Web Server									
I/NetViewer - 200 users		CAD	1	\$	171,959	\$	171,959	\$	35,544
I/NetDispatcher - 25 concurrent users (IPS000459)		CAD	1	\$	111,300	\$	111,300	\$	23,004
Business Intelligence Direct Server									
BI Direct for Informer to WebRMS (Includes 20 CC User Licenses) (SBND3090L)		PRMS	1	\$	24,000	\$	24,000	\$	5,904
SAP BusOBJ Int Plat for Direct - 20 CC - Comp (IPS21183C)		PRMS	1	\$	11,400	\$	11,400	\$	2,820
Business Intelligence Direct for CAD Bundle - 10 NUL (SBND3081L)		CAD	1	\$	18,000	\$	18,000	\$	4,296
SAP BusOBJ Int Plat for Direct - 10 NUL - Comp (IPS21006C)		CAD	1	\$	8,700	\$	8,700	\$	2,052
Business Intelligence Direct WebRMS Database Server									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	Business Intelligence Direct WebRMS Database Server	COM	6	\$	7,900	\$	47,400	\$	8,064
Interface / Communications Load Balanced Servers #1-3									
ANI-ALI (Included with I/Executive)	Automatic Number Identification Automatic Location Identification	CAD	1		Included at no additional cost				
Master Clock Interface		CAD	1		Included at no additional cost				
ProQA Interface (Included with I/Dispatcher)		CAD	1		Included at no additional cost				
I/Informer (IPS0004)		CAD	1	\$	24,486	\$	24,486	\$	5,064
Custom Services for Informer to State and LEADS NCIC Message Switch (IPSCADCUST-IPS0004-A)	Allows query to external interfaces	CAD	1	\$	28,888	\$	28,888	\$	5,778
Custom Services for Informer to CLEAR (IPSCADCUST-IPS0004-B)		CAD	1	\$	14,444	\$	14,444	\$	2,889
Custom Services for Informer to DMV Image Support (IPSCADCUST-IPS0004-C)		CAD	1	\$	21,666	\$	21,666	\$	4,333
Custom Services for Informer to FIREHOUSE FireRMS (IPSCADCUST-IPS0004-E)		CAD	1	\$	7,222	\$	7,222	\$	1,444
Custom Services for additional Informer Queries to State Message Switch (COH, COB, Handicap Pilecard, and FOID and to support name soundex) (IPSCADCUST-IPS0004-F)	Assumes one Legacy RMS System Database	CAD	1	\$	28,888	\$	28,888	\$	5,778
Custom Services for Informer to OffenderWatch System (IPSCADCUST-IPS0004-G)		CAD	1	\$	14,444	\$	14,444	\$	2,889
Informer Transactions for Mobile Responder (IPSCADCUST-7)		CAD	1	\$	7,222	\$	7,222	\$	1,444
I/Informer Nested Queries (IPSCADCUST-22)		CAD	1	\$	26,664	\$	26,664	\$	5,333
I/Informer for WebRMS NL (IPS0004WR)		CAD	1		Included at no additional cost				
EdgeFrontier Runtime Engine (IPS3042)		CAD	1	\$	20,000	\$	20,000	\$	4,300
CAD EdgeFrontier Custom Interface for Alerts and Flags requirements support (IPSCADCUST-3)		CAD	1	\$	14,444	\$	14,444	\$	2,889
CAD EdgeFrontier Custom Interface for Call Stacking/Queueing Support (IPSCADCUST-4)		CAD	1	\$	4,333	\$	4,333	\$	867
I/Page (IPS0012)		CAD	1	\$	22,260	\$	22,260	\$	4,596
I/Telephone Device for Deaf - Zetron (IPS0018)		CAD	1	\$	11,130	\$	11,130	\$	2,304
I/PRMS-CADLink (IPS0048-1)	FireHouse FireRMS	PRMS	1	\$	11,130	\$	11,130	\$	2,304
I/Fire Station Alerting (IPS0052)	Station Alerting System	CAD	1	\$	11,130	\$	11,130	\$	2,304
I/Decan LiveMUM Interface (IPS0065)		CAD	1	\$	5,565	\$	5,565	\$	1,332
Smart 911 Interface (IPSCADCUST-6)		CAD	1	\$	21,666	\$	21,666	\$	4,333
I/FRMSLink for Firehouse - Per additional endpoint (third-party; database (IPSCADCUST-9)	Per additional endpoint, third-party database Assumption: All are on the same protocol and each agency database has its own CAD Monitor from FIREHOUSE.	ADD	26	\$	1,444	\$	37,554		
Custom Services for Informer to FIREHOUSE FireRMS - Per additional agency/database (IPSCADCUST-11)		ADD	26	\$	1,444	\$	37,554		
Smart 911 Interface - Per additional PSAP Connection (IPSCADCUST-10)	Per additional PSAP Connection	CAD	4	\$	16,250	\$	64,998	\$	13,000
Interface / Communications Load Balanced Redundant Servers #1-3 (hot failover)									
ANI-ALI (Included with I/Executive) (ANI-ALI)		CAD	1		Included at no additional cost				
Master Clock Interface (XNTP)		CAD	1		Included at no additional cost				
ProQA Interface (Included with I/Dispatcher) (POA)		CAD	1		Included at no additional cost				
Informer - Redundant License (IPSCADCUST-IPS0004RDT)		CAD	1	\$	17,140	\$	17,140	\$	3,540
Informer for WebRMS NL - Redundant License (IPS0004WRRTDT)		CAD	1	\$	14,000	\$	14,000	\$	3,360
EdgeFrontier Runtime Engine - Redundant License (IPS0042-RDT)		CAD	1	\$	15,582	\$	15,582	\$	3,216
I/Page - Redundant License (IPS0012RDT)		CAD	1	\$	7,791	\$	7,791	\$	1,603
I/Telephone Device for Deaf - Zetron - Redundant License (IPS0018RDT)		CAD	1	\$					
Standard and Custom Interfaces - Test, Training, Redundant and Backup Copies of proposed interfaces are available for all Interface Server, however, implementation is subject to the customer's ability to provide connection to the applicable system.			1						
Mobile Data Server #1									
I/Mobile Data Terminal (IPS0009)									
I/Tracker (IPS0015)		CAD	1	\$	48,972	\$	48,972	\$	10,128
Mobile Data Server #2 (Load Balanced)		CAD	1	\$	27,825	\$	27,825	\$	5,724
I/Mobile Data Terminal (IPS0009)									
I/Tracker (IPS0015)		CAD	1	\$	48,972	\$	48,972	\$	10,128
Mobile Data Server #3		CAD	1	\$	27,825	\$	27,825	\$	5,724
I/Mobile Data Terminal (IPS0009)									
I/Tracker (IPS0015)		CAD	1	\$	48,972	\$	48,972	\$	10,128
Integrating Mobile Responder Server (251-750 Users) Bundle (SBND3207L)		CAD	1	\$	27,825	\$	27,825	\$	5,724
WebRMS Database Server #1		CAD	1	\$	40,000	\$	40,000	\$	9,144
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	WebRMS Database Server #1	COM	6	\$	7,900	\$	47,400	\$	8,064
WebRMS Database Server #2	WebRMS Database Server #2	COM	6	\$	7,900	\$	47,400	\$	8,064
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	WebRMS Database Server #2	COM	6	\$	7,900	\$	47,400	\$	8,064
WebRMS Application Clustered Server #1 thru #4									
WebRMS Server License (RMS0016)	WebRMS Environment Server License to be installed on applicable WebRMS Production Application Servers	PRMS	1	\$	87,000	\$	87,000	\$	20,820
Apache Tomcat 6 (Free Download)		COM	5		Included at no additional cost				
Crystal Reports for Eclipse		COM	5		Included at no additional cost				
WebRMS Application Clustered Redundant Server (#5)									
WebRMS Server License - Redundant License (RMS0016RDT)		PRMS	1	\$	60,900	\$	60,900	\$	14,580
WebRMS Interface Load Balanced Servers #1-3									
EdgeFrontier Runtime Engine (IPS3042)		PRMS	1	\$	20,000	\$	20,000	\$	4,800
Integrating WebRMS Connect for EdgeFrontier (IPS2043)		PRMS	1		Included at no additional cost				
RMS EdgeFrontier Customization for BEAST Interface (RMS) (IPSRMISCUST)	Bi-Directional	PRMS	1	\$	27,220	\$	27,220	\$	5,444
RMS EdgeFrontier Customization for APS Virtual Partner 2 interface (RMS) (IPSRMISCUST-1)	1-way Import	PRMS	1	\$	23,331	\$	23,331	\$	4,666

RMS EdgeFrontier Customization for Motorola Offendertrak interface (RMS) (IPSRMSCUST-4)	Bi-Directional (Sheriff's Office)	PRMS	1	\$	31,108	\$	31,102	\$	6,222
RMS EdgeFrontier Customization for LiveScan interface (RMS) (IPSRMSCUST-5)	Bi-Directional	PRMS	1	\$	15,554	\$	15,554	\$	3,111
RMS EdgeFrontier Customization for LiveScan interface (RMS) (IPSRMSCUST-5-1)	Bi-Directional	ADD	4	\$	15,554	\$	62,216	\$	12,443
RMS EdgeFrontier Customization for OffenderWatch Interface (RMS) (IPSRMSCUST-6)	1-way Export (Sheriff's Office)	PRMS	1	\$	23,331	\$	23,331	\$	4,666
RMS EdgeFrontier Customization for State's Attorney's Office (SOP) interface (RMS) (IPSRMSCUST-7)	1-way Export	PRMS	1	\$	29,164	\$	29,164	\$	5,833
RMS EdgeFrontier Customization for DuPage Court System (DUCS) interface (RMS) (IPSRMSCUST-8)	Bi-Directional	PRMS	1	\$	93,324	\$	93,324	\$	18,665
Capita Case Probation Management interface (RMS) (IPSRMSCUST-13)	Vendor View	PRMS	1	\$	7,777	\$	7,777	\$	1,555
FBI/NIBRS Submission (RMS) (IPSRMSCUST-14)		PRMS	1	\$	4,666	\$	4,666	\$	933
RMS to Informer for LEADS/NCIC Queries (IPSRMSCUST-16)		PRMS	1	\$	7,777	\$	7,777	\$	1,555
RMS to Informer for ICLAR Queries (IPSRMSCUST-17)		PRMS	1	\$	7,777	\$	7,777	\$	1,555
RMS EdgeFrontier Customization for BE-IST Interface (RMS) - for Each additional code table configuration (IPSRMSCUST-20)	Per each additional code table configuration Assumption: the data format to and from all BEAST systems is the same.	ADD	24	\$	7,575	\$	181,800	\$	
RMS EdgeFrontier Customization for LiveScan Interface (RMS) - for Each Additional Protocol/Format. (IPSRMSCUST-21)	Per each additional Protocol/Format. Assume an import to create/update an arrest and booking record and link the two. Assume that all Livescan vendors will push data to Intergraph web service and push the data in Intergraph preferred XML format.	ADD	27	\$	7,777	\$	209,979	\$	
WebRMS Interface Redundant Load Balanced Servers #1-3									
EdgeFrontier Runtime Engine - Redundant License (IPF3042-RD)		PRMS	1	\$	14,000	\$	14,000	\$	3,360
Intergraph WebRMS Connect for EdgeFrontier - RDT (IPF2043RDT)		PRMS	1		Included at no additional cost				
FBR for WebRMS Application Servers #1 and #2									
WebRMS FBR Server (RMS0023)	FBR for WebRMS Environment Server License to be installed on applicable FBR Production Application Servers	PRMS	1	\$	29,000	\$	29,000	\$	6,972
Microsoft SQL Server 2012 R2 Express (Download)		COM	2		Included at no additional cost				
FBR for WebRMS Redundant Server (#3)									
WebRMS FBR Server - Redundant License		PRMS	1	\$	20,300	\$	20,300	\$	4,884
Microsoft SQL Server 2012 R2 Express (Download)		COM	1		Included at no additional cost				
vCenter Server (Production Environment)									
Microsoft SQL Server 2012 R2 Express (Download)		COM	1		Included at no additional cost				
VMware vCenter Server Standard for vSphere 5 - (v. 5) - license - 1 instance (includes 5 year, prepaid VMware Support and Subscription Technical Support	Production Environment (Base)	COM	1	\$	12,620	\$	12,620	\$	
TEST ENVIRONMENT									
CAD Database / Interface / Communications Test Server									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack	CAD Database - Interface / Communications Test Server	COM	4	\$	7,900	\$	31,600	\$	5,376
ANI-ALL (Included with I/Executive) (ANI-ALL)		CAD	1		Included at no additional cost				
Master Clock Interface (XNTP)		CAD	1		Included at no additional cost				
ProQA Interface (Included with I/Dispatch) (POA)		CAD	1		Included at no additional cost				
LEExecutive High Availability - Test License		CAD	1		Included at no additional cost				
I/NetView or - 5 concurrent users - Test License		CAD	1		Included at no additional cost				
I/NetDispatcher - 5 concurrent users - Test License		CAD	1		Included at no additional cost				
I/Informer - Test License (IPSCADUCST-IP50004TST)		CAD	1		Included at no additional cost				
EdgeFrontier Runtime Engine - Test License (IPF3042-TST)		CAD	1	\$	15,000	\$	15,000	\$	3,600
EdgeFrontier Desktop Engine (IPF3042DEV)		CAD	1		Included at no additional cost				
I/Mobile Data Terminal - Test License (IPF50009TST)		CAD	1		Included at no additional cost				
I/Tracker - Test License (IPF50015TST)		CAD	1		Included at no additional cost				
Standard and Custom Interfaces - Test, Training, Redundant and Backup Copies of proposed interfaces are available for all Interface Server, however, implementation is subject to the customer's ability to provide connection to the applicable system.			1						
WebRMS Database / Application / Interface / FBR Test Server									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	WebRMS Database / Application / Interface / FBR Test Server	COM	4	\$	7,900	\$	31,600	\$	5,376
WebRMS FBR Server - Test License		PRMS	1		Included at no additional cost				
WebRMS Server License - Test License		PRMS	1		Included at no additional cost				
Apache Tomcat 6 (Free Download)		COM	1		Included at no additional cost				
Cystal Reports for Eclipse		COM	1		Included at no additional cost				
Standard and Custom Interfaces - Test, Training, Redundant and Backup Copies of proposed interfaces are available for all Interface Server, however, implementation is subject to the customer's ability to provide connection to the applicable system.		COM	1		Included at no additional cost				
EdgeFrontier Runtime Engine - Test License (IPF3042-TST)			1						
Intergraph WebRMS Connect for EdgeFrontier - TST (IPF2043TST)		PRMS	1		Included at no additional cost				
		PRMS	1		Included at no additional cost				
DISASTER RECOVERY (BACKUP) ENVIRONMENT									
Backup Environment Host Servers									
Dell PowerEdge R630 - Two 22-Core Processors; 384GB RAM; vSphere EnterprisePlus v6.x (Q2); Dual Internal SD Cards for OS; DVD-ROM Combo Drive; Quad Port 1GB NIC; HBA; Dual Redundant Power Supplies; 6 year Pre-Paid ProSupport and Mission Critical Package (4-hours 7x24 on-site support)	Disaster Recovery Environment (Base)	COM	5	\$	33,750	\$	168,750		
Dell PowerEdge R630 - Two 22-Core Processors; 384GB RAM; vSphere EnterprisePlus v6.x (Q2); Dual Internal SD Cards for OS; DVD-ROM Combo Drive; Quad Port 1GB NIC; HBA; Dual Redundant Power Supplies; 6 year Pre-Paid ProSupport and Mission Critical Package (4-hours 7x24 on-site support)	Disaster Recovery Environment (Base)	ADD	1	\$	33,750	\$	33,750		
Microsoft Windows Server 2012 R2 Datacenter	Disaster Recovery Environment (Base)	COM	6	\$	5,816	\$	34,896		
CAD Database Load Balanced Disaster Recovery Servers #1-3 (cold standby)									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	CAD Database Disaster Recovery Server #1 (cold standby)	COM	6	\$	7,900	\$	47,400	\$	8,064
I/Executive High Availability - Backup License		CAD	1		Included at no additional cost				
CAD Database Load Balanced Redundant Disaster Recovery Servers #1-3 (cold standby)									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	CAD Database Disaster Recovery Server #2 (cold standby)	COM	6	\$	7,900	\$	47,400	\$	8,064
Microsoft Visual Studio Professional 2012		COM	1	\$	580	\$	580	\$	139
CAD Archive, Reports / Web Disaster Recovery Server									
Microsoft SQL Server 2012 ENT Edition RUNTIME - 2 core pack (7LQ-00001)	CAD Archive / Reports / Web Disaster Recovery Server	COM	6	\$	7,900	\$	47,400	\$	8,064
I/NetViewer - 100 concurrent users - Backup License (IPF50042BCK)		CAD	1		Included at no additional cost				
I/NetDispatcher - 25 concurrent users - Backup License (IPF50045FBCK)		CAD	1		Included at no additional cost				
Business Intelligence Direct Disaster Recovery Server									
BI-Direct for CAD - Backup License (SPR)		CAD	1		Included at no additional cost				
BI-Direct for WebRMS - Backup License (SPR)		PRMS	1		Included at no additional cost				
CAD Interface / Communications Disaster Recovery Server #1 (cold standby)									
ANI-ALL (Included with I/Executive) (ANI-ALL)		CAD	1		Included at no additional cost				
Master Clock Interface (XNTP)		CAD	1		Included at no additional cost				
ProQA Interface (Included with I/Dispatch) (POA)		CAD	1		Included at no additional cost				
I/Informer - Backup License (IPSCADUCST-IP50004BCK)		CAD	1		Included at no additional cost				
EdgeFrontier Runtime Engine - Backup License (IPF3042-BCK)		CAD	1		Included at no additional cost				
I/Page - Backup License (IPF50012BCK)		CAD	1		Included at no additional cost				
I/Telephone Device for Desat - Zetron - Backup License (IPF50018BCK)		CAD	1		Included at no additional cost				
Standard and Custom Interfaces - Test, Training, Redundant and Backup Copies of proposed interfaces are available for all Interface Server, however, implementation is subject to the customer's ability to provide connection to the applicable system.			1						
CAD Interface / Communications Disaster Recovery Server #2 (cold standby)

DuPage Digital Justice Information System Agency Cost Explanation

Every effort has been made to identify costs to the agency participants for this project. Please review the tab worksheets carefully to ensure we have captured all of your costs accurately.

The excel spreadsheet is set up in the following manner:

Agency Cost Summary

This worksheet lists all of the participating agencies and the costs as a summary. The first column is the estimated total for the project. Category costs are detailed in the subsequent worksheets of the workbook. There is a break per agency of the capital equipment replacement contribution. Law Enforcement is listed first, then fire and finally PSAP.

Network

There were two bidders for this project. The bids still have to be vetted, the highest submitted numbers have been used for this worksheet so it is a worst case scenario. Final numbers will be provided as soon as a contract has been selected. It is important to keep in mind that ETSB has bid connections, but you do not have to participate in this contract. If you select a different path, it will require ETSB approval to ensure network system capacity and stability.

Agency Specific Interfaces

This section requires a thorough review by each participant. The system allows for one connection (typically the highest number of users). It will be approximately 24 months from date of contract before these interfaces are seamless to the overall core system. This gives participants an opportunity to decide if they would like to utilize the one provided system/interface or continue to pay their own way.

Budget Detail for NetRMS

An explanation of how costs are determined.

NetRMS FY16 Costs

Break outs of costs for this fiscal year. This is a typical set up. Keep in mind that personnel is limited so costs are atypically low.

NetRMS FY17 Costs

Break outs of costs for this fiscal year. This is a typical set up. Personnel costs for this year have been transferred to the New RMS Estimate Capital.

NetRMS FY18 Costs

Break outs of costs for this fiscal year. This is a typical set up. Personnel costs for this year have been transferred to the New RMS Estimate Capital. This year will be necessary due to the length of the project.

New RMS Estimate Capital

Capital costs and personnel for FY17 and FY18.

New RMS Estimate Operational (5 work sheets yrs 1-5)

Estimated costs for personnel/benefits, maintenance equipment replacement contribution.

DuPage Digital Justice Information System Additional Cost Worksheet

As stated in the cover letter, DuPage ETSB will be providing the CAD system including the mobile software/interface and the initial funding (with a reimbursement schedule) for RMS and interfaces ("Friends of CAD") not specific to the delivery of 911 services. The following additional costs have also been identified:

CPU/Mobile Hardware:

In order to operate properly with the new CAD system. Hardware that does not meet the specifications below will not be allowed on the system. Hardware should have the following specifications:

Mobile Computers:

Windows 7 Pro, 64 bit I3 or greater processor
4GB RAM
80 GB HD
1,024x768 resolution
Centronics port for printing (if appropriate)
Network connection (if to be docked on the network)
Touch Screen Preferred.

WebRMS Workstations (desk tops) or CPUs:

Windows 7 Pro, 64 bit

DuPage ETSB will do an RFP for hardware to facilitate a purchasing contract for equipment. Each agency will be responsible to fund any replacement hardware for mobile or desk top computers. The goal would be to receive all of the equipment so that tech personnel can load and configure the hardware properly prior to deployment/implementation. The letter of intent will have a handout that asks for the number of devices you would be replacing in order to provide a range for the RFP. This RFP will be let as soon as data is collected.

Network:

The Technology Team for this project is working on a RFP to replace the SONET. CAD and Friends of CAD as well as Customer Premise Equipment (CPE-the 911 call handling devices) will run on this network. DuPage ETSB will pay for the connections between the PSAPs (with the exception of Naperville). Connectivity in the network for RMS and any other interfaced systems will be the responsibility of user agency. The RFP was let and returned May 31, 2016. The RFP will ask for several connectivity options. User agencies will have the opportunity to select their preferred network connection. This information is provided to user participants to assist with overall costs. It is an option and participant users may do their own connection but it will have to be approved by ETSB before it can connect into the system or a PSAP. This approval is only to ensure network system capacity and stability.

Wireless Network for Mobile Terminals:

DuPage ETSB will continue to fund the cost of the wireless interface. This RFP will be for air cards (or wireless activation assuming mobiles have internal wireless capability). While user agencies may currently have their own contracts for this service, the hope is that a county-wide contract may reduce the cost to the user agencies.

Fire Station Alerting:

DuPage ETSB is working with the Fire work group and will let an RFP to determine the feasibility of an updated, interoperable fire station alerting system.

DuPage Digital Justice Information System RMS Staffing Overview

This document describes the recommended staffing for RMS based on Intergraph recommendations and DuPage County Human Resource job descriptions and salary matrix.

It is anticipated that these positions will be hired near the mid-range of the matrix. This could be adjusted up if the candidate has substantial experience in the Intergraph product.

Position	Salary Grade	Salary Range		
		Low	Mid	High
RMS Manager	315	\$71,821	\$95,760	\$119,700
Data Base Administrator	314	\$62,305	\$83,075	\$103,843
Report Writing Specialists (2)	312	\$48,137	\$64,184	\$80,228

The dollars included in the Agency Estimated Costs is:

Position	Salary Grade	Salary Range		
		Salary	Benefit (40%)	Total
RMS Manager	315	\$100,000	\$40,000	\$140,000
Data Base Administrator	314	\$80,000	\$32,000	\$112,000
Report Writing Specialists (2)	312	\$60,000	\$24,000	\$84,000

The salary calculations included in the Agency Cost Estimate include forty percent (40%) for benefits. In addition a two percent (2%) COLA has been added to each year of the program. Although not guaranteed, this COLA is consistent with DuPage County past practice and is only included to allow you budget appropriately.

It is important to remember that these are estimates based on known practices and information. It is possible that these costs could be lower.

RMS Manager:

The employee in this class is responsible for implementing, planning, managing and directing the DuPage County Justice Information System Law Enforcement Records Management System ("Records Management System") Employee manages the appropriate relationships, budget, projects and staffs within the department. Work requires the ability to exercise a high degree of technical expertise and competency in order to effectively research, recommends and implement a records management system that successfully meets the needs of all Elected Officials, Municipal Governments, County Departments, and Quasi-Governmental Organizations. Administrative direction is received from the Chief Information Officer. Management direction is provided to subordinate manager/supervisors.

As project manager for this system, this position will be responsible for overseeing all on-site project related activities and for assisting the Intergraph Project Manager in developing and managing implementation schedules and coordinating activities and personnel.

Data Base Manager:

The use of the system administration tools within the applications is included in training. However, this position should be filled by resources fully trained in database management and system maintenance. This position reports to the RMS Manager.

Report Writing Specialists:

Ability and background to create custom reports based on defined content provided by administrative and supervisory personnel. Report Writing Specialists should be familiar with the database structure. Knowledge of SQL would be a definite advantage. This position reports to the RMS Manager.

DuPage Digital Justice Information System Address Point File Workflow Description

The new CAD system will be X/Y coordinate driven. For this reason the GIS map will be a critical piece of the core data base. This document will describe the workflow steps for updating the countywide address point file that will be used by E911 and other taxing organizations within DuPage County.

Municipal and County Input:

To create the new GIS map, agency participants that have address point data in either ESRI Geodatabase or ESRI shapefile should submit these files via etsb911@ducomm.org. This would also be the time to update any boundaries, police beats/zones, fire beats/zones. If you do not have this data, please submit a Trakit ticket, indicating this so that the GIS team can work with you to ensure your information is ready for the new system.

Once the system is implemented, each agency participant will be submitting their address point file updates through a web based GIS application. The users will be able to add their address updates through a map interface. Update and edit tools will be provided within the application. A workflow map is provided.

Address Update & Approval to E911:

Once the updated address points are complete an email and or other form of notification will be sent to ETSB GIS staff. At this step, the tentative point address will be reviewed and cross referenced by the MSAG data. If the address does not meet the standard needed for E911, the ETSB GIS staff will work with the respective municipality to correct and workout any issues that have arisen in the data review.

If the address does not meet the business rules established by the Tech Committee based on software capability, a respective municipal entity or the County may be asked to make a requested correction due to a discrepancy in the addressing. It is important that participants work with the GIS Team prior to annexations to avoid unnecessary delays in the annexation process or 911 mapping entry for an address within our service area.

When an address or corrected address is complete, another review will take place by ETSB GIS staff. Once the address is reviewed, approved and posted, this address point data will be uploaded to the Intergraph CAD system and also be available to others for their various address mapping needs.

Various Types of Data:

There is a county-wide address point file. We have completed all the unincorporated areas within DuPage County and we are currently obtaining address point data from all of the County's incorporated municipal governments. To date, 16 out of the 32 municipal entities address data here in DuPage County and are currently appending them to the county wide address point file. Once we have the county address point file appended and completed with all of the address data, we will be able to share this data back to those entities that did not have a GIS format.

Recommendation:

One of the greatest challenges to any GIS map and CAD software is the alpha numeric address (i.e. 21W241). Going forward we would recommend that participants adopt ordinances to eliminate this type of addressing.

Estimated Fiscal Years		FY16	FY17	FY18	FY/17FY18	FY19	FY20	FY21	FY22	FY23

Chief Mark Shelton
Willowbrook Police Department
835 Midway Drive
Willowbrook, IL 60527

Dear Chief Shelton:

On May 12, 2016 the Darien Police Department requested assistance from FIAT-Major Crimes Unit (MCU) with a death investigation. A male subject was found deceased the night before, in a culvert behind 8301 Cass Avenue in Darien.

MCU was tasked with assisting on a consent search at the home where the deceased male lived with his wife and other family members. MCU investigators then assisted with a neighborhood and scene canvass. FIAT-CFU was also called upon to assist with the immediate analysis of two cellular telephones related to this case.

Please extend my personal thanks to Detectives John Handzik and Daniel Polfliet for their invaluable assistance in this investigation. We appreciate our officers being able to reach out to neighboring Police Departments for support when needed and hope we can reciprocate in the future.

Sincerely,

Greg Thomas
Chief of Police

To: The Police Chief, Willowbrook Police Department

Subject: Commendation and Gratitude to Officer S. Tillert (?), Badge #524

(Sorry, can't read spelling on accident report)

On May 21, 2016, a tire on my car went flat, and drove it into a ditch along Kingery Hwy. just north of the exit from Rte. 55. The police were called, and the officer referenced here was the primary person who responded.

This man was the most caring, helpful, and incredibly responsible person I have met. His concern regarding my physical condition was remarkable, and he helped immeasurably by calling an ambulance and towing assistance. Fortunately I was not hurt and did not need to go to a hospital, but he stayed with me until the tow truck arrived and the car and I were ready to be towed home, even though his shift had ended earlier. The most fortunate part of the incident was having this officer be assigned to it.

It was an honor to have met such a person. He is a credit to your police department, and deserves any and all commendations he receives. His work is certainly appreciated by this writer.

Thank you so much, officer.

Sincerely,

Barry

GLENDALE HEIGHTS POLICE DEPARTMENT

GLENDALE HEIGHTS, ILLINOIS 60139-2613
ADMINISTRATION (630) 260-6000
FAX: (630) 260-0078

May 4, 2016

Dear Chief Mark Shelton:

On 3/23/16, the Glendale Heights Police Department, at the request of School Districts 15 and 16, conducted a sweep of Glenside Middle School, Marquardt Middle School, Glenwood Academy, and Glen Oaks Day School in Glendale Heights for contraband. During the operation we received assistance from local departments, and I would like to thank Officer Nick Volek for the assistance provided by he and his K-9 partner Artos. The sweep was conducted with minimal disruption to the schools, and the professionalism demonstrated by Officer Volek reflected well on your Department.

I would also like to thank you for allowing your K-9 team to participate in this sweep. Interagency cooperation is the backbone of our profession and if there is anything the Glendale Heights Police Department can do in the future to assist your Department, please do not hesitate to contact me.

Sincerely,

Douglas Flint
Chief of Police

Our Mission

"Working in partnership with our community to maintain safe and secure neighborhoods, reduce crime, and improve the quality of life for our citizens through ethical, courteous and professional police service."

Chief Mark Shelton
Willowbrook Police Department
7760 Quincy St.
Willowbrook, IL 60527

Chief Shelton;

I want to take a minute to thank you for allowing your canine unit to train in our district school on Friday, April 29, 2016. Nick Volek and his dog not only represented your department with professionalism, but they helped us continue to provide a safe and secure environment for our students and staff.

This type of interagency cooperation is most appreciated and contributes to a quality of life standard that we strive for in each of our communities.

Thank you again, for your assistance, and please commend Nick Volek for his efforts and a job well done.

With sincere appreciation,

Robert A. Rammer, Ph.D.,
Assistant Superintendent

┌Susan Baldus┐

Dear Chief Shelton —

I am the Assistant Principal from
Monte Middle School in Wheaton.

I wanted to thank you personally, for
letting some of your officers come help
us with the Canine Search Drills. It

sends an important message to our
students & the community!

We appreciate the help -- Susan Baldus
