Dear Chief ~~Shelton~~,

MARK,

The Hinsdale Police Department would like to offer our appreciation and thanks to Detectives Polfliet and Handzik and Officer Kobler for their assistance with the Active Shooter Scenario on November 4, 2016.

Their participation in this drill is another example in which your officers have and will provide invaluable assistance to our department. The cooperative relationship in meeting common objectives is critical, and the officers who worked together in that spirit are worthy of recognition. Please don't hesitate to call upon the Hinsdale Police Department if we can ever be of assistance.

Sincerely,

Kevin Simpson

Dear Chief Shelton,

The Hinsdale Police Department's Open House on October 15, 2016 was a huge success. This popular community event was successful because of two of your employees, Lori Rinella and Laurie Schmitz who took the time to attend and support our department. Lori & Laurie answered many questions and handed out pamphlets, badges, stickers and pencils.

It is great that police departments can assist each other in events like this for the benefit of the community. Thank you for your support and please let Lori & Laurie know their participation was greatly appreciated.

Sincerely,
Hinsdale Police Department

Re: Patrolman Tim Kobler

Dear Chief Shelton:

Over the weekend I was the victim of identity theft. A person fraudulently obtained online access to my bank records, and accomplished the transfer of funds from my bank account to himself/herself, or to some other crook. Yesterday I went to your department to file a police report, and I was assisted by Patrolman Tim Kobler.

I wish to commend Officer Kobler. He spent a lot of time with me, explaining things and answering my questions. He was extremely polite and courteous. He was very knowledgeable. At the end of our meeting, he provided me with various documentation which will assist me in preventing a recurrence of being an identity theft victim. He truly went above and beyond the call of duty in helping me.

Officer Kobler is an asset to your department.

Thank you.

Very truly yours,

William

Ofc. Lopez
Ofc. Volek

IL 10315

I wanted you to know how grateful I am to Officer Lopez and his partner.

On Wednesday evening my purse was left behind at Burger King on Rt. 83.

When I went back to retrieve it, the employees said they didn't see it.

That's when Officer Lopez and his partner were able to talk to the employees and extracted a confession from them and my purse was returned to me.

I am so truly grateful to them. They were so kind and professional.

They are a true asset to your Police Force.
So ever grateful!

Mrs.

Dear Chief Shelton,

Re: Information Technology Security Audit Cycle 18

The Illinois State Police (ISP) serves as the FBI Criminal Justice Information Services (CJIS) Systems Agency (CSA) for Illinois, and is charged with establishing and administering an information technology security program throughout the CSA's user community. On 9/20/2016, the ISP conducted an Information Technology Security Audit (ITSA) for your department.

The ITSA process helps ensure the compliance of your information systems that transmit, receive, and/or store criminal justice information as compared to the FBI CJIS/LEADS Security Policies. The areas assessed in your audit included agency agreements, written policies and procedures, data encryption, transaction logging, wireless computing, and employee training.

This letter is to inform you that your audit has reached a successful conclusion and your department was found in compliance with the FBI CJIS and LEADS Security Policies as they pertain to the questions asked during the audit process.

The ISP wishes to thank you and your staff for your time and cooperation throughout the audit process. To obtain a copy of the complete audit report and your agency's responses you may contact your LEADS Agency Coordinator (LAC) who can print a final copy of your audit from our auditing software *CJIS-Audit*.

Should you have any questions, please contact me at (815) 740-3064, or by email at Robert.Libman@isp.state.il.us.

Respectfully,
