Subject: a very rewarding encounter with one of your police officers

Dear Chief Pavelchik,

My name is Richard I happen to be a judge
this email has nothing to do with my job.

in Chicago, but

This morning (July 28) my wife and I were to meet friends in Oak Brook, and we drove from our home in Hyde Park, turning off I-55 at Rte 83. As I was driving on Rte 83 I quickly became nauseous (or rather more nauseous, because my nausea had begun early in the morning), and finally I had to stop. A very nice police officer, whose name unfortunately I did not learn, drove up behind me, parked on the side of the road where I had parked, and came up to the driver's window of my car and asked me what was wrong, and I explained that I was very nauseous. He asked whether I could drive or needed an ambulance, and I said I didn't want to try to reach Oak Brook and have to drive all the back from there to Hyde Park, but instead that I'd like to turn around and drive home right away, which I thought I could do, canceling our trip to Oak Brook. He asked me to follow him and he drove to where I could enter I-55 northbound, and I drove home without any difficulty, and my nausea went away.

Your officer—I wish I knew his name—was so nice to us and so helpful that I would really like to thank him. I am guessing you know who it was or can easily find out, and I would be grateful if you could thank him for me.

With best regards,

Richard
