7. DISCUSSION ITEMS

- No-Shave November: *Chief Pavelchik explained our officers have join in for a national cancer fundraiser where for their donation the Department will allow them to not shave for the month of November.*
- Adjudication Hearing Officer: *Chief Pavelchik explained that the Village had received an unsolicited curriculum vitae from a recently licensed attorney wishing to be the Village's adjudication hearing officer. When the Village Board last interviewed prospective hearing officers (around 2008-2009) the process was that a request for proposal (RFP) was prepared, bids presented and vetted before the contract for services was awarded. Trustee Berglund asked how the current hearing officer is? At this time police staff have absolutely no complaints with the current vendor; he is efficient, personable to the public and well versed in the procedures of red light violation hearings. The Chief added that the costs are well under budget and are not excessive. Trustee Kelly indicated that he will speak with the Village Administrator about this and other legal services that might need review. Chief Pavelchik indicated that an RFP could mimic the last process if the Board wishes to change services.*
- 20 MPH Signs in the Village: *Chief Pavelchik provided the Committee with information about minimum speed limits being 25 mph by statute but that at some time in the Village's history, 20 mph signs were posted. Our officers are aware of the discrepancy and only enforce 25mph. To remove/replace the signs might upset the community members; this discussion was just to keep the Committee informed about the signage.*
- Other Undocumented Signs: *Deputy Chief Schaller explained to the Committee that several restricted parking zones were discovered to have no legal support in Village Code for the signs posted, specifically on Executive Drive. The Committee supports bringing forth ordinances for proper posting of signs.*
- Float of Comp Hours (2 Week Float): *The Chief and Deputy Chief D/C Schaller explained to the Committee some recent issues in the calculations of compensatory time and the limits in place by the Village Personnel Manual and the Police collective bargaining agreement (CBA). D/C Schaller also commented on a potential new scheduling program which will facilitate our payroll and time off accounting.*
- FirstNet: *Chief Pavelchik provided the Committee a brief overview of the*

FIRSTNET program which will provide secure and unfettered cellular channels for public safety.

8. * VISITOR'S BUSINESS (Public comment is limited to three minutes per person).
There were no visitors present to comment.

9. ADJOURNMENT
A motion to adjourn was made by Trustee Berglund, seconded by Chairman Kelly; this meeting was adjourned at 10:55 a.m.

BACKGROUND

During the Village of Willowbrook Police Facility Renovation / Expansion, which started in June of 2016 a complete demolition of the interior of the facility took place. During this demolition all wiring was removed from the facility, which included the wiring of the Rauland Two-Way Audio Base Station. This Audio system was used for two-way communication to remote speaker/microphone units that were operated within the lock-up and holding cells. Due to the age and inability to service the Rauland Two-Way Audio Base Station proposals for a new system were requested. Two bids were obtained one in excess of \$9000.00 and a low bid provided by Advanced Wiring Solutions in the amount of \$4865.00. Advanced Wiring Solutions proposal to install a Holding Cell Audio System would incorporate Loure Electronics AP-4TB 4 zone two-way audio base station designed for two-way listen/talkback. (See Exhibit A)

REQUEST FOR FEEDBACK (if any)

Although a budget amendment is not necessary, the approval of the committee is sought for this expense.

STAFF RECOMMENDATION (if any)

Staff recommends accepting the proposal from Advanced Wiring Solutions.

9 TAXES: The services rate(s) or other charges incurred by customer under this agreement do not include any federal, state or local privilege, use, sales or excise taxes paid or payable by either AWS or customer with respect to this agreement or any of the services performed or materials, equipment or other items provided by AWS or customer which shall be paid by customer, except for taxes based on AWS's net income or capital stock, which shall be borne by AWS.

10 ASSIGNMENT: AWS may assign, subcontract, transfer or otherwise dispose of, in whole or in part, any of its interests, rights or obligations under this agreement. Any subcontractor performing maintenance services or other services hereunder will be subject to the same terms and conditions as are set forth herein. DISCUSSION – PANIC ALARMS – VILLAGE HALL AND POLICE DEPT.

COMMITTEE REVIEW

- ☐ Finance/Administration
☐ Municipal Services
☒ Public Safety

Meeting Date:

December 18, 2017

- ☐ Discussion Only ☐ Approval of Staff Recommendation (for consideration by Village Board at a later date)
☐ Seeking Feedback ☒ Approval of Staff Recommendation (for immediate consideration by Village Board)
☐ Regular Report ☐ Report/documents requested by Committee

BACKGROUND

The old Police Station used to have a panic alarm system that included a hard-wired button in the lock-up and wireless key fobs that could be worn by an officer and activated from anywhere in the building. The old Village Hall building also had a hard-wired button under the front counter in case of emergencies. The Police Station's panic alarm system and associated wiring was removed as part of the renovation process and the new Village Hall was not outfitted with panic alarms during construction. Staff felt that this would be a good time to consider adding panic alarm capabilities to both buildings. In discussions with staff as to the needs for each building, it was concluded that the Village Hall should have a hard-wired panic button installed at the front counter as well as one wireless key fob for use as needed in conference rooms. For the Police Station, there will be a hard-wired button in the lock-up and two wireless fobs (one for the front counter and one for interview rooms). All of the panic buttons will be tied directly to the Village's dispatch center, DuComm.

Staff sought and received proposals from three vendors: MidCo (the Village's phone company), FSS Technologies (the Village's fire alarm company), and Alarm Detection Systems (the Village's water tower alarm company). The proposals are broken down below:

REQUEST FOR FEEDBACK (if any)

As was stated above the proposals include: two (2) hard-wired buttons (one in each building), and three (3) wireless key fobs (one (1) for the Village Hall and two (2) for the PD).

	MidCo	FSS	ADS
Equipment/Installation	\$ 5,490.61	\$ 4,794.00	\$ 8,021.00
Annual Monitoring Fee	\$ -	\$ 840.00	\$ 1,920.00
Total Cost	\$ 5,490.61	\$ 5,634.00	\$ 9,941.00

This project was not budgeted but will be taken from the following accounts if approved: Admin Building Maintenance account (01-10-466-228) in the amount of \$2,196.24 and Police Operating Equipment (01-30-630-401) in the amount of \$3,294.37.

STAFF RECOMMENDATION

Staff recommends accepting MidCo's proposal of \$5,490.61. This proposal was the least expensive and was the only proposal that did not have a monthly monitoring fee. MidCo has been extremely responsive to the Village's phone system and maintenance needs in the past and has consistently provided timely service and repair when needed. Based on this and MidCo's long standing relationship with the Village staff recommends partnering with MidCo for panic alarms.

LETTER OF RECOGNITION

November 20th, 2017

**OFFICER DAVE GADDIS
OFFICER DYLAN TRAINOR
OFFICER CHRISTINE ROBLES**

On November 20, 2017 at approximately 0512 hrs, Willowbrook Officers responded to 7440 Tennessee Dr. in regards to a Telephone Threat in that the offender was coming to the victim's residence and "Shoot up the house, Shoot up the kids, Shoot up the car...and that he always carries a gun". After further investigation and social media evidence, Willowbrook Officers determined the threat to be credible.

Willowbrook Officers coordinated with several other agencies to set up a perimeter near the residence to await the offender. Shortly thereafter, the offender and suspect vehicle were observed entering the apartment complex. A Felony Traffic stop was conducted without incident. The offender was taken into custody for an out of state warrant for a gun charge. Felony approval was given and the offender was charged with being a Fugitive from Justice.

The incident was safely coordinated and professionally executed by all officers involved.
