There are a lot of negative stories about police interaction in the national news...what isn't covered enough is the positive stories. I want to commend the Willowbrook Police Department and the officers/first responders that were called to deal with an aggressive subject at the Red Roof Inn on Kingery Tuesday night 5.22. The man was loud, aggressive, verbally abusive, etc...but was obviously intoxicated and mentally unstable. The officers that responded separated him from causing anyone harm and used very effective de-escalation techniques to keep the man calm until the ambulance arrived. Everyone left the scene alive and hopefully this man got the help he needed. Things could have turned out completely different, but these officers showed great patience and empathy while still keeping the surrounding area safe. No guns drawn, no threats, no violence. Great job, great training, great leadership.

Chief,

Could you check the Incident listing for Saturday June 16th. and let me know the names of the two officers who responded to an incident around 6:30 pm -7pm at the LHV Clubhouse. I was talking to a resident who had been accosted by a stranger on LHV property. She was very upset, the officers explained another officer had "eyes on" a probable suspect and tried to convince her to identify the suspect. I had the opportunity to observe their conversation with the resident and her companion (an old friend of mine) and I was really impressed by the way the officers handled the situation. Although the resident decided not to identify the suspect, she clearly knew all her options.

It was a rare opportunity for me to directly observe two of your officers deal directly with a resident , under stressful circumstances. You can be very proud of their professionalism and concern for the wellbeing of the resident and her companion.

Thanks.

Terry Kelly

Dear Chief Schaller,

On May 17, 2018, the Elmhurst Police Department conducted a special multijurisdictional "Heroin Highway" detail with assistance from a number of neighboring agencies, including K9 Officer Volek and his dog, Artos.

Our goal was once again to target suburban drug buyers traveling I-290 to the west side of Chicago to purchase narcotics. The detail yielded 7 subjects arrested for the Unlawful Possession of a Controlled Substance (heroin). This detail was a fine example of law enforcement agencies working together, and I would like to acknowledge personally the contribution made by Officer Volek and Artos.

Please extend my sincere appreciation to Officer Volek for the valued assistance he and Artos provided on this detail. We appreciate the continued support and professional assistance provided by your agency and look forward to reciprocating in the future.

Sincerely,

Michael R. Ruth

Dear Chief Schaller,

On Tuesday, May 29, 2018, the Burr Ridge Police Department responded to investigate a missing/suicidal person from the Extended Stay America Hotel. The subject was missing approximately 24 hours, was reported to be trying to jump in front of moving cars, and had recently attempted suicide. The subject had no phone, money, nor means of transportation, making locating him difficult. Within two-hours of Burr Ridge Officers broadcasting the missing person's information to surrounding towns, Willowbrook Officer Trainor located the subject near 63rd Street and Bentley Avenue. Because of Officer Trainor's actions, the young man was taken to Hinsdale Hospital to hopefully receive the help he needs.

I would like to extend my thanks to Officer Trainor for his assistance in locating this missing person. The successful resolution of this case was a direct result of his professional efforts.

Be assured that the men and women of the Burr Ridge Police Department are ready to assist your department in the future, should the need arise.

Sincerely,

John Madden
