REF: Assistance with Missing/Suicidal Subject

Chief Schaller,

This letter is being written to express my thanks and gratitude to Officer Nick Volek #527 of the Willowbrook Police Department for his assistance with the ILEAS callout for a missing/suicidal subject in our village.

On 23 July 2018, our department responded to a report of a missing person in the Acacia subdivision. Upon arrival it was learned that a F/W subject was missing from her residence. She had left on foot and did not have a purse, wallet, ID's, credit cards or cell phone, as these items were all left at the residence. Further investigation revealed she had also left a suicide note on her phone directed to her daughter.

At this time, a tracking K-9 was called and an officer from the Cook County Sheriff's Police Department responded with his dog. A through search of the residence was conducted and the dog was able to pick up a scent outside the home that led officers to a construction site near 6500 Willow Springs Road. A search of that area failed to locate the victim.

It was decided to launch an ILEAS callout to supplement manpower to conduct a more widespread search. Twenty officers from numerous outside agencies arrived at our station and a grid search was conducted for the missing. Unable to locate the victim during the grid search of the immediate area, a door to door search of near-by

businesses was conducted, which also met with negative results. Around noon, one of the search team officers made contact with an Amazon driver, who had seen and positively identified the missing from a photograph, near Joliet & Willow Springs Road. With this new development, we continued in our search.

At approximately 1500 hours, the missing called her family to report that she was fine and was at Pleasantdale Park in Burr Ridge. She was located and stated that she was depressed over financial issues and wanted to "walk it off." She was transported back to our station, where she was taken to the hospital by paramedics for a psych evaluation.

The assistance and cooperation of your officer is greatly appreciated and contributed to the thorough handling and safe outcome of this incident. Your officer responded quickly to the scene and was effective, professional and systematic in his actions and duties. Kindly extend my personal thanks to Officer Volek for his support and assistance in this case.

Respectfully,

15 JUNE 2018

Chief Schaller,

On Sunday June 3rd, 2018 at approximately 0404 hours, the McCook Police Department responded to the 5300 block of Joliet Road to assist the Romeoville Police Department in locating an offender who had just shot two people in a domestic related incident in their town.

Responding officers located the offender's vehicle and were certain that he was on the property, however his exact location was difficult to determine at that time. The property is approximately 17 acres of mixed use trucking terminals, freight containers, and truck parking which is surrounded by wooded terrain and other obstacles that made this location difficult to contain.

Our department requested assistance from a large number of agencies and organizations to help with this incident which included large scale perimeter control, traffic control and surveillance. We also determined the need for multiple contact/arrest teams due to the potential of other persons on the property as well as the logistics of the location.

Your agency responded to our call for assistance and Officer Trainor arrived to assist. There were many moving parts throughout this incident. Regardless of what assignment the officers received upon their arrival, each officer played a critical role in this operation. The successful outcome of this incident would not have been possible without each and every person that was on scene that day. I am pleased to report that the incident ended with one offender in custody and no injuries to anyone involved.

On behalf of the McCook Police Department I want to thank you, the Willowbrook Police Department and Officer Trainor for providing assistance to us on June 3rd, 2018.

Respectfully,

Mario DePasquale, Chief of Police
