This St. Patrick's Day, plan before you party **Remember: 'Drive Sober or Get Pulled Over'**

Willowbrook, IL – With St. Patrick's Day just around the corner, **The Willowbrook Police Department** is reminding motorists to plan ahead for a sober ride home to keep celebrations from turning deadly.

We understand people are looking for a reason to celebrate, but we urge you to do so safely. While festivities may look different this year, the basics remain the same: If you'll be drinking or using cannabis or another impairing substance, make the right choice to find a sober driver to get you and your friends home safely.

In addition to patrolling for alcohol- and drug-impaired drivers, the **Willowbrook Police Department** will be stepping up seat belt enforcement, particularly at night when seat belt usage rates are lowest. Speed limits and distracted driving laws will also be strictly enforced.

Designating a sober driver and not letting friends drive impaired are two simple steps to help avoid a tragic crash or an arrest for driving under the influence.

Other important tips:

- If you do not have a designated driver, ask a sober friend for a ride home, call a cab, sober friend, or family member to pick you up, or stay where you are and sleep it off until you are sober.
- Buckle up. It is your best defense in the event of a crash.
- Remember, pedestrians are at risk, too. If you are walking, keep an eye out for cars. If you are driving, remain alert for impaired walkers who may not obey street signs.

The St. Patrick's Day "Drive Sober or Get Pulled Over" campaign is funded by federal traffic safety funds from the National Highway Traffic Safety Administration and is administered through the Illinois Department of Transportation.

Chief Robert Schaller
Willowbrook Police Department
7760 S. Quincy St.
Willowbrook, IL 60527

Dear Chief Schaller:

I wanted to thank the numerous police departments that responded to a shooting in Bloomingdale at the Indian Lakes Hotel on Saturday, February 6, 2021.

During the shooting six people were shot, one of whom was pronounced deceased from gunshot wounds at an area hospital.

Numerous departments sent their officers without hesitation to assist us in our time of need. I saw first-hand the meaning of "teamwork" as officers from many communities came to our assistance.

We are asked to "police perfectly" in a very imperfect world. Our officers are doing the right thing, and are representing us well.

A portion of society questions the motives of officers or the job they do. I witnessed the determination and dedication to the profession that our officers exhibit every day.

Please pass on our thanks and praise to all staff involved.

Very truly,

Dear Officer Scheller

I am writing to you to bring to your attention my experience of exceptional service from one of your officers, Darin Briggs. He reached out to my sister, Barbara who reported a Scam

that she became involved in. He not only visited her during this stressful time but made an extra effort to inform her family (me) whom she may have been too embarrassed to tell me. My brother and I have since then become more involved to help her. We wanted to let you know that we appreciate his kindness and attention. He really made a difference. Sincerely, Gena.
