Dear Willowbrook Residents,

In a new development regarding Sterigenics, on August 1<sup>st</sup>, the Village of Darien posted its agenda for the August 5<sup>th</sup> Council meeting. Under New Business, item #17 reads, "Consideration of a Motion to Approve a Resolution Approving the Study of a Potential Intergovernmental Agreement with Willowbrook, Burr Ridge and Hinsdale (Sterigenics Property)."

Quoting the City Council packet, "The intent of this resolution is to have Mayor Marchese and City Administrator Vana meet and confer with representatives of Willowbrook, Burr Ridge and Hinsdale in order to explore the feasibility of entering into an Intergovernmental Agreement providing for the possible acquisition of the Sterigenics property in Willowbrook."

At the August 12th Village Board meeting, Willowbrook will also be considering a resolution approving an Intergovernmental Agreement with Darien, Burr Ridge and Hinsdale for the possible acquisition of the Sterigenics property.

This morning I spoke to Mayor Grasso of Burr Ridge, and he informed me that his Village would be voting on their resolution to parallel ours and Darien's.

Please click here <https://www.darien.il.us/Reference-Desk/Agendas-Minutes/City-Council/2019.aspx> to see the Darien agenda and packet. Willowbrook Village staff will post our agenda and draft resolution August 9<sup>th</sup>.

Send your written comments pertaining to the Consent Order to Willowbrook Trustee Gayle Neal by August 7th at [gneal@willowbrook.il.us](mailto:gneal@willowbrook.il.us).

Sincerely,

*Mayor Trilla*
