The Village of Willowbrook is seeking input on the subject of adult-use recreational cannabis within the community.

The Village may choose to prohibit (opt out) or significantly limit (opt in) the location of adult-use cannabis businesses by Village ordinance. It may also limit the number of establishments that are allowed to operate within the Village.

The Village is proposing restrictions on recreational adult-use cannabis dispensing organizations from locating within 1,000 feet of the property line of a pre-existing public or private preschool, elementary or secondary school, day care center, day care home, group day care home, day child care facility, religious institutions or 375 Feet from a residential property.

The Village of Willowbrook needs your input to guide these decisions along. The Village will use your input to assist our Village Board in their review of this important subject.

Let the Village know what you think through <https://polco.us/sb3cc> , a public participation tool we are using. **To give input, go to polco.us or download the Polco app for iOS or Android.**

The Village will be posting about this on Facebook and on our website. Please share those messages with your friends and family, or share directly from any question on Polco.

You'll enter your name, zip code, and email address. We ask for that information so the Village counts your input as coming from a Village resident in the area, and so you can receive notifications when the Village asks new questions.

You'll be anonymous. The Village of Willowbrook sees only aggregate results, and *cannot* see how you as an individual respond.

Thank you in advance,

Frank A. Trilla,

Mayor
