

A message from Mayor Trilla regarding the Coronavirus:

11/18/2020

Statewide Tier 3 COVID-19 Mitigation Efforts Effective 11/20/2020

Regrettably, confirmed cases and increased hospitalizations have not only been increasing in our Region (8) but throughout every region in our state. As of November 17, 2020, Willowbrook has a total of 642 confirmed cases, 571 of that number are considered community outbreak, meaning 571 cases are non nursing home. **I urge all our residents to only leave home for essential activities in an effort to curb the spread of the deadly Coronavirus.**

Below you will see Governor Pritzker's announcement from Tuesday afternoon, but before that message I must say again: **Please follow the 3 W's; Wear** a mask, **Wash** your hands, and **Watch** your distance.

'On Tuesday, November 17, 2020 Governor Pritzker announced that due to the spread of COVID-19 now exploding exponentially in every region of our state, our statewide positivity rate at record highs and hospitalizations surpassing Spring peak numbers, all 11 regions will move into Tier 3 effective Friday, November 20, 2020 at 12:01am'

Here are the new [Restore Illinois Tier 3 mitigation requirements](#) by setting.

WEAR your cloth mask- the mask must cover your nose and your mouth

WASH your hands often or use hand sanitizer

WATCH your distance – Maintain 6 feet apart

We are in this together, and Together we can keep Willowbrook safe for all.
